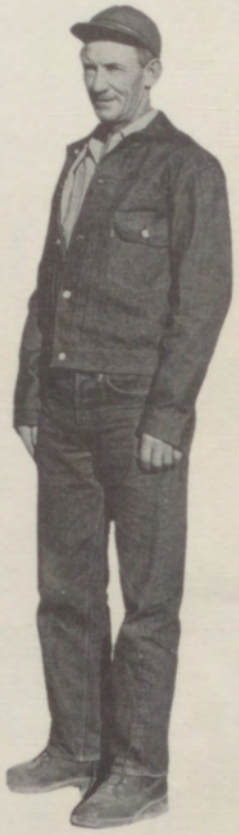
EAGLE '59

1959

DEDICATION



For his twenty-five years driving a Lenapah school bus, through fair weather and foul, maintenance and repairs on buses from the model T, "A" and to present day equipment, over one hundred fifty thousand miles safely delivering students to school and back to their homes; driving additional thousands of miles to basketball, football games, FFA and FHA State Rallies on the extra-curricular trips; always maintaining that calmness along with friendliness which is so characteristic of him, we happily dedicate this Annual to NELSON SONENBERG, school bus maintenance supervisor and driver, and his fine corps of drivers standing alongside their buses above from left to right: C. C. Wyckoff, Clyde C. Estes, John Strom, Nelson, Howard Driskill, Thomas Ames, and Frank Wyckoff.
