Dedication

We dedicate this annual to Mr. Glen Fisher, mathematics teacher at Lenapah for ten years. He has coached grade school basketball seven years and high school basketball for three years. Mr. Fisher received his B. S. degree at Southwestern State College at Weatherford. He has been a close friend and guide to all, especially to Seniors, whom he has sponsored for the past nine years. He is now leaving Lenapah to teach at Fairfax. It is with our sincerest gratitude that we dedicate this annual to Mr. Fisher and wish him the very best of luck always.
