Dedication

Shirley Hall

"There is a destiny that makes us brothers;
No one goes his way alone.
All that we send into the lives of others
Comes back into our own." - - -

Markham

Our role is simple . . . we learn
we give . . . and we learn new
extensions of ourselves.

We are the spirit . . . we are
the lifeblood of today's LHS.
We build a kindred link with
a school that is ours.

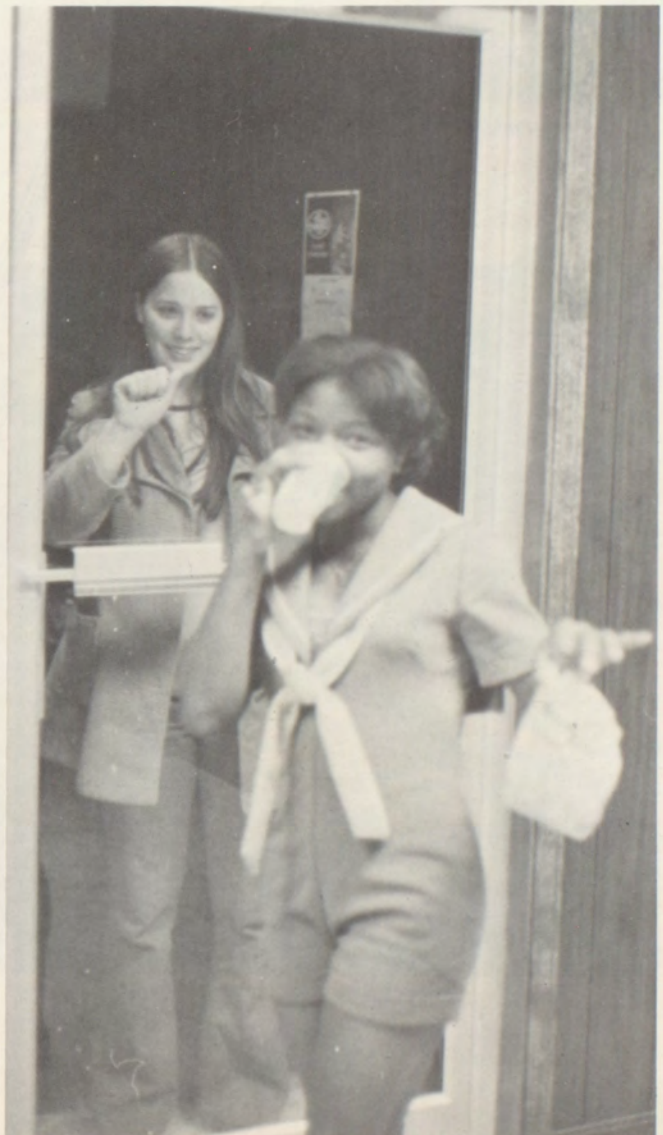

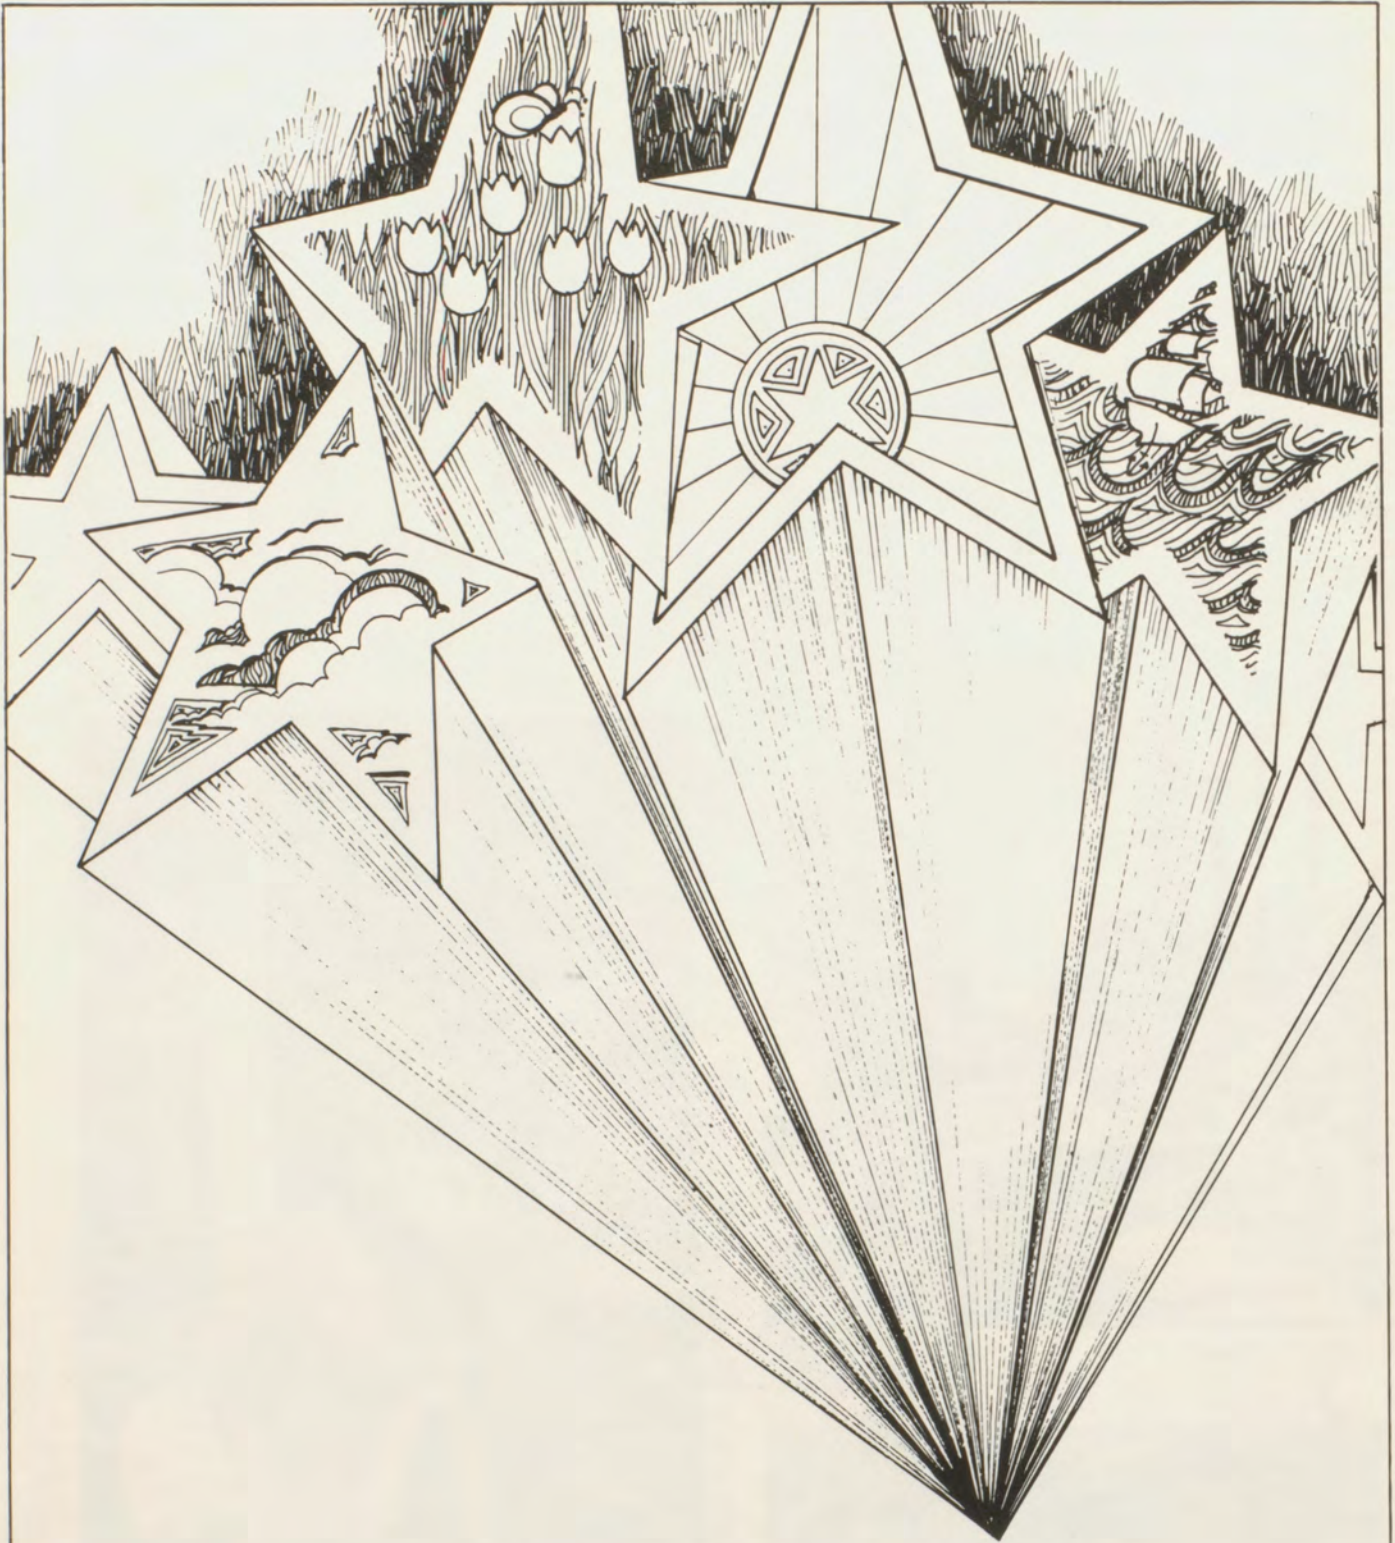

Shall we not learn from life its laws,
dynamics, balances?

Learn to base our needs not on death,
destruction, waste, but on renewal?

In wisdom and in gentleness learn
to walk again with Eden's angels?
Learn at last to shape a civilization
in harmony with the earth?

The people are everywhere: some queens, some listeners, some artists, some leaders. From each something is gained, from each something can be learned. In elections, in classrooms, and on the basketball court, the decision is yours; to reign, to listen, to accomplish, to lead.

Faces

Faces . . . pleasant, surprised, posed, and priceless. The faces of our friends . . . caught in a moment . . . captured for our memory.

Everywhere there are faces . . . some happy, some solemn with thought, some sad . . . but always they are there. Faces are sometimes mirrors which reflect what we see and sometimes windows that let others see in. Do we know the meaning of faces? Do we understand the stories they tell?
