For ten years, our school has been honored with a young woman who has been a great friend to many. Her smile and pleasant outlook on life has been an inspiration to us at Lenapah Public School. We fondly dedicate this annual to Miss Sara Ellen Mangles.

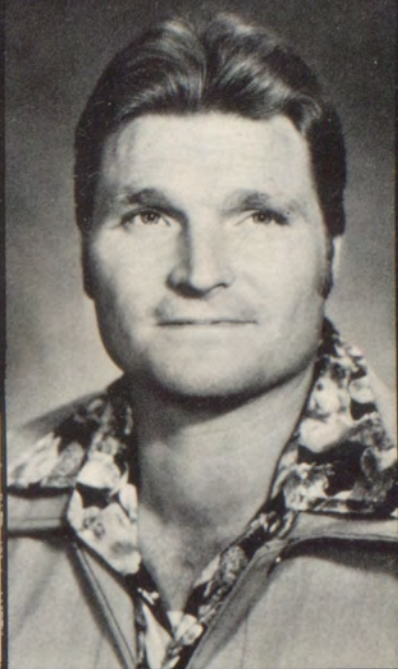

Sara
I admire you for your
courage and positive
attitude. It's enjoyable again
having you back at Lenapah.
Best of luck to you.
John F. Greenfield

Another person to whom we would like to dedicate this annual is a teacher who gives help whenever it is needed no matter the time of day. This man not only teaches English but serves his community in a responsible manner. We are privileged and honored to have a man like this at Lenapah. Therefore, we dedicate this annual to Mr. John F. Greenfield.

Time is but the stream I go a-fishing in. I drink at it; but while I drink I see the sandy bottom and detect how shallow it is. Its thin current slides away, but eternity remains.

Every part of nature teaches that the passing away of one life is the making room for another. The oak dies down to the ground, leaving within its rind a rich virgin mould, which will impart a vigorous life to an infant forest.
