The Eagle
Lenapah, Oklahoma

This was a year of changing landscape and changing times. We have a new gymnasium, tennis courts and new teachers along with several new students. The school is growing and we as students are growing with it. We wish all students here a rewarding school experience and a successful work career.

beauties and brains - most talented, with it, most likely to succeed - our "favorite" people - somehow good times are even better whenever they're around - always ready with a smile - help make the school's "personality" what it is - involved - reaching out - these are the ones we have chosen ---

band and drill team practice - let's run through it one more time - losing your hat during the first halftime show - painting sets for the senior play - looking out across the footlights and remembering your lines - meeting that final year's copy deadline (at 2:00 a.m.) - early student council meetings - setting the alarm for 5:30 instead of 6:00 o'clock...

Volleyball

This was the first year that volleyball was taken seriously at Lenapah. We played a total of five matches and ended the season with a perfect record of 5-0, with victories over Wann, Delaware, and White Oak. However, at the end of the season, we entered the State Volleyball Championship Tournament and had to learn the hard way that our old way of playing was not acceptable under the state's rules. Finally, we are beginning to learn the new way and are progressing steadily. Hopefully next year we will be able to enter the tournament again and do well in it. We learned a lot this year, and we'll be prepared for next season's games. Meanwhile, let's all keep up our spirit and our will to win.

ANNUAL PANIC

'Twas the day before
deadline,
And all was not right,
Not a creature was stirring,
Not even a mite.
We staff-members
screamed,
At the top of our lungs,
Mrs. Kiger, Mrs. Kiger!
What can be done?

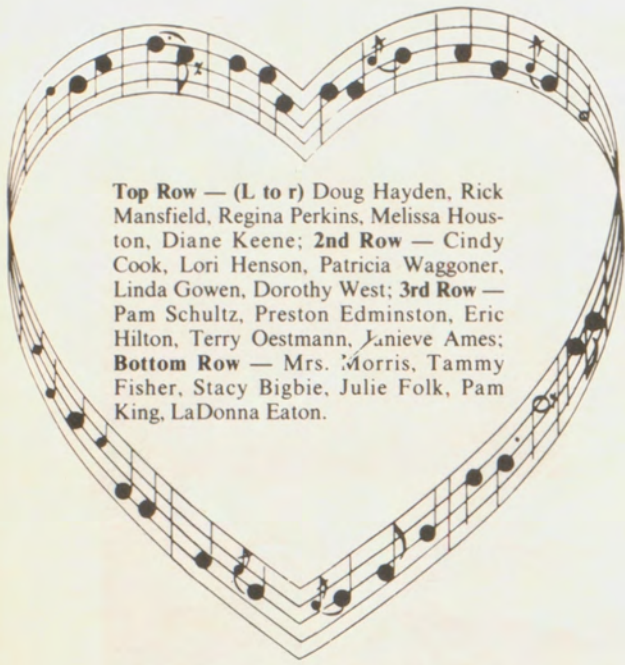

We can't find the pictures,
The Quad-Paks are all
gone.
The whole room is a mess,
This just can't go on!
Late into the night,
We worked until day,
Got the Annual finished,
And sent it away!

Junior High

giggling girls and rowdy boys - spitballs in the classroom - pranks in the halls - boys and girls lined up on opposite sides of the dance floor - feet are still the most-used means of transportation, but parents can be drafted as chauffeurs for the really "big" date - letter sweaters and rings on chains are topics of major import...
