Thank You, Mr. Downing for sharing your life with us !

Sometimes it's Hard to Let Go

~ in this we learn & grow ~

One of life's most precious beauties is the vibrant, multi-color ROSE. You can go through life and never see some of life's greatest beauties unless you make an effort to really open your eyes and look deep.

When you stop and take the time to discover life's beauty, you may realize for the first time that there is meaning and purpose to it. This school has been blessed with something far more precious, yet similar in beauty -- this being the lives and care of our "Students". Take time to behold the joy involved in the lives of our children -- the pleasures of their smiles, their young sense of humor, the glow of each different yet similar personality. When you stop and discover this -- you begin to discover the great beauty of life.

We would like to express a sincere and deeply felt gratitude to ONE person who has not only discovered this great beauty, but has devoted himself in the last few years, to showing this beauty to all of us. He has shown us the importance of protecting, cultivating, and enhancing the beauty of these "Roses" of ours.

For the past few years he has been a great principal and teacher. His wonderful personality enables him to listen and understand the teenagers today. He looks at problems from more than one point of view. He gives everyone a chance. This man is fair, kind, respectful of the students and treats them justly, and equally.

He has made many contributions to our school, but just to list a few: He has helped the Student Council to give us a student union, intramural sports, and the "Competition Bowl". He also helped put into process the computer room. He has been a genuine motivating force behind the thriving School Spirit at Lenapah High School.

On behalf of the "Roses" of Lenapah High School, we the Eagle Staff, proudly and with lifetime memories, dedicate this 1986-87 annual to YOU -- Mr. Terry M. Downing -- a much loved and respected FRIEND!!!

Lenape High School's finest asset is by far its teachers. These are the men and women who will mold and make the future. The job of handling the future may seem an astronomical demand upon these mere humans. But our outstanding staff of educators take this responsibility and turn it into a bright and shining key for their students to use to open the doors to bigger and better things. We, as the students, owe a great deal to these courageous people. Thanks!

Mr. & Miss L.H.S. front: Mike Means, Tony Lamb, Doug Hannah
 Candidates back: Mary Lawrence, Jennifer Hensley, Amy Jones

The role of Mr. and Miss L.H.S. are the young man and woman who best symbolize what Lenape School is all about. The people who best fit these roles are Tony Lamb and Jennifer Hensley. Tony is very active throughout the school. He is involved in Basketball, Football, Baseball, FFA, FHA, and was voted Who's Who for most athletic and Most School Spirited. He plans to attend college, but is undecided at where. When asked, Tony stated that he liked the faculty, the grade schoolers, but most of all he liked his friends here at L.H.S. Jennifer Hensley is also a well liked and active person. She is a member of the school band. Jennifer is also a good student and pleasant to be around. We asked Jennifer what she liked about L.H.S. and she said, "the band program. It's great to see it improving so much." She would like to thank Mr. Farrin for helping the band grow. We would like to say Thanks to Tony and Jennifer for being a great Mr. and Ms. L.H.S.

Yearbook Staff

The Yearbook Staff is composed of students who are interested in preserving the memories of a certain year at LHS. The staff must try to give equal time and coverage to each and every activity that has happened during the year. From the first Football game to the graduation, and every activity in between, there is a Yearbook Staffer there to document that happening. There is a great deal of dedication needed to make the yearbook and that we can be proud of.

THE EAGLE

Newspaper Staff

The Lenapah High School Eagle newspaper staff has tried not only to cover important events at our school but to give the student body an opportunity to know some of the faculty and individual students in more depth. The newspaper personnel have tried to keep the bi-weekly issues objective and yet informative. We hope everyone has enjoyed our effort.

The Who's who of the Senior class are fellow classmates elected to high honors. To be named a member of the Who's Who by your peers means a great deal to any student. The Who's Who is a conglomeration of Seniors who are thought to be either the most likely to be ahead in some field, or in some cases, the biggest clown. The Who's Who shows off

As practice began things looked up for the 86-87 football team. Everyone worked hard and with much discipline. With a couple of scrimmages under our belts, everyone looked forward to the upcoming season. With fire in their eyes, the team went into the first game wanting to avenge the loss they took last year from Watts. The rest of the season wasn't as easy as the first game having to play four that made it to the state tournament. The best game of the season was the Homecoming game against the then second ranked team, Shidler.

Having held them to only a disappointing 1 point loss, things looked up. The season didn't end as most people wished, with only a 5-5 record. A disappointing season hasn't stopped the hard work, but has made next year's team work even harder.

The year of 1986-1987 for the LHS Cheerleaders, was filled with much excitement. The Cheerleaders attended a UCA Cheerleading Camp, winning many ribbons and a spirit stick. They also participated in the Tulsa State Fair Cheers Competition. The cheerleaders cheered at every football game, and the four senior cheerleaders went on to cheer for the basketball season. One thing is for sure the cheerleaders work hard and together to accomplish many victories for themselves and for the support of the teams, and also the band.

To be a sponsor it takes much time and patience. Mrs. McKellips had the patience to stick with the cheerleading practices, dance routines, and especially camp. Mrs. Jersey lent an ear in the times for tears, singing, or really anything that was said or done.

Scoreboard

Eagle Spirit & Pride

The football season this year was full of pride and spirit. The cheerleaders and band worked hard and together to promote the spirit of the crowd. The cheerleaders and fans were there faithfully cheering the football team onto victory and even for the defeats.

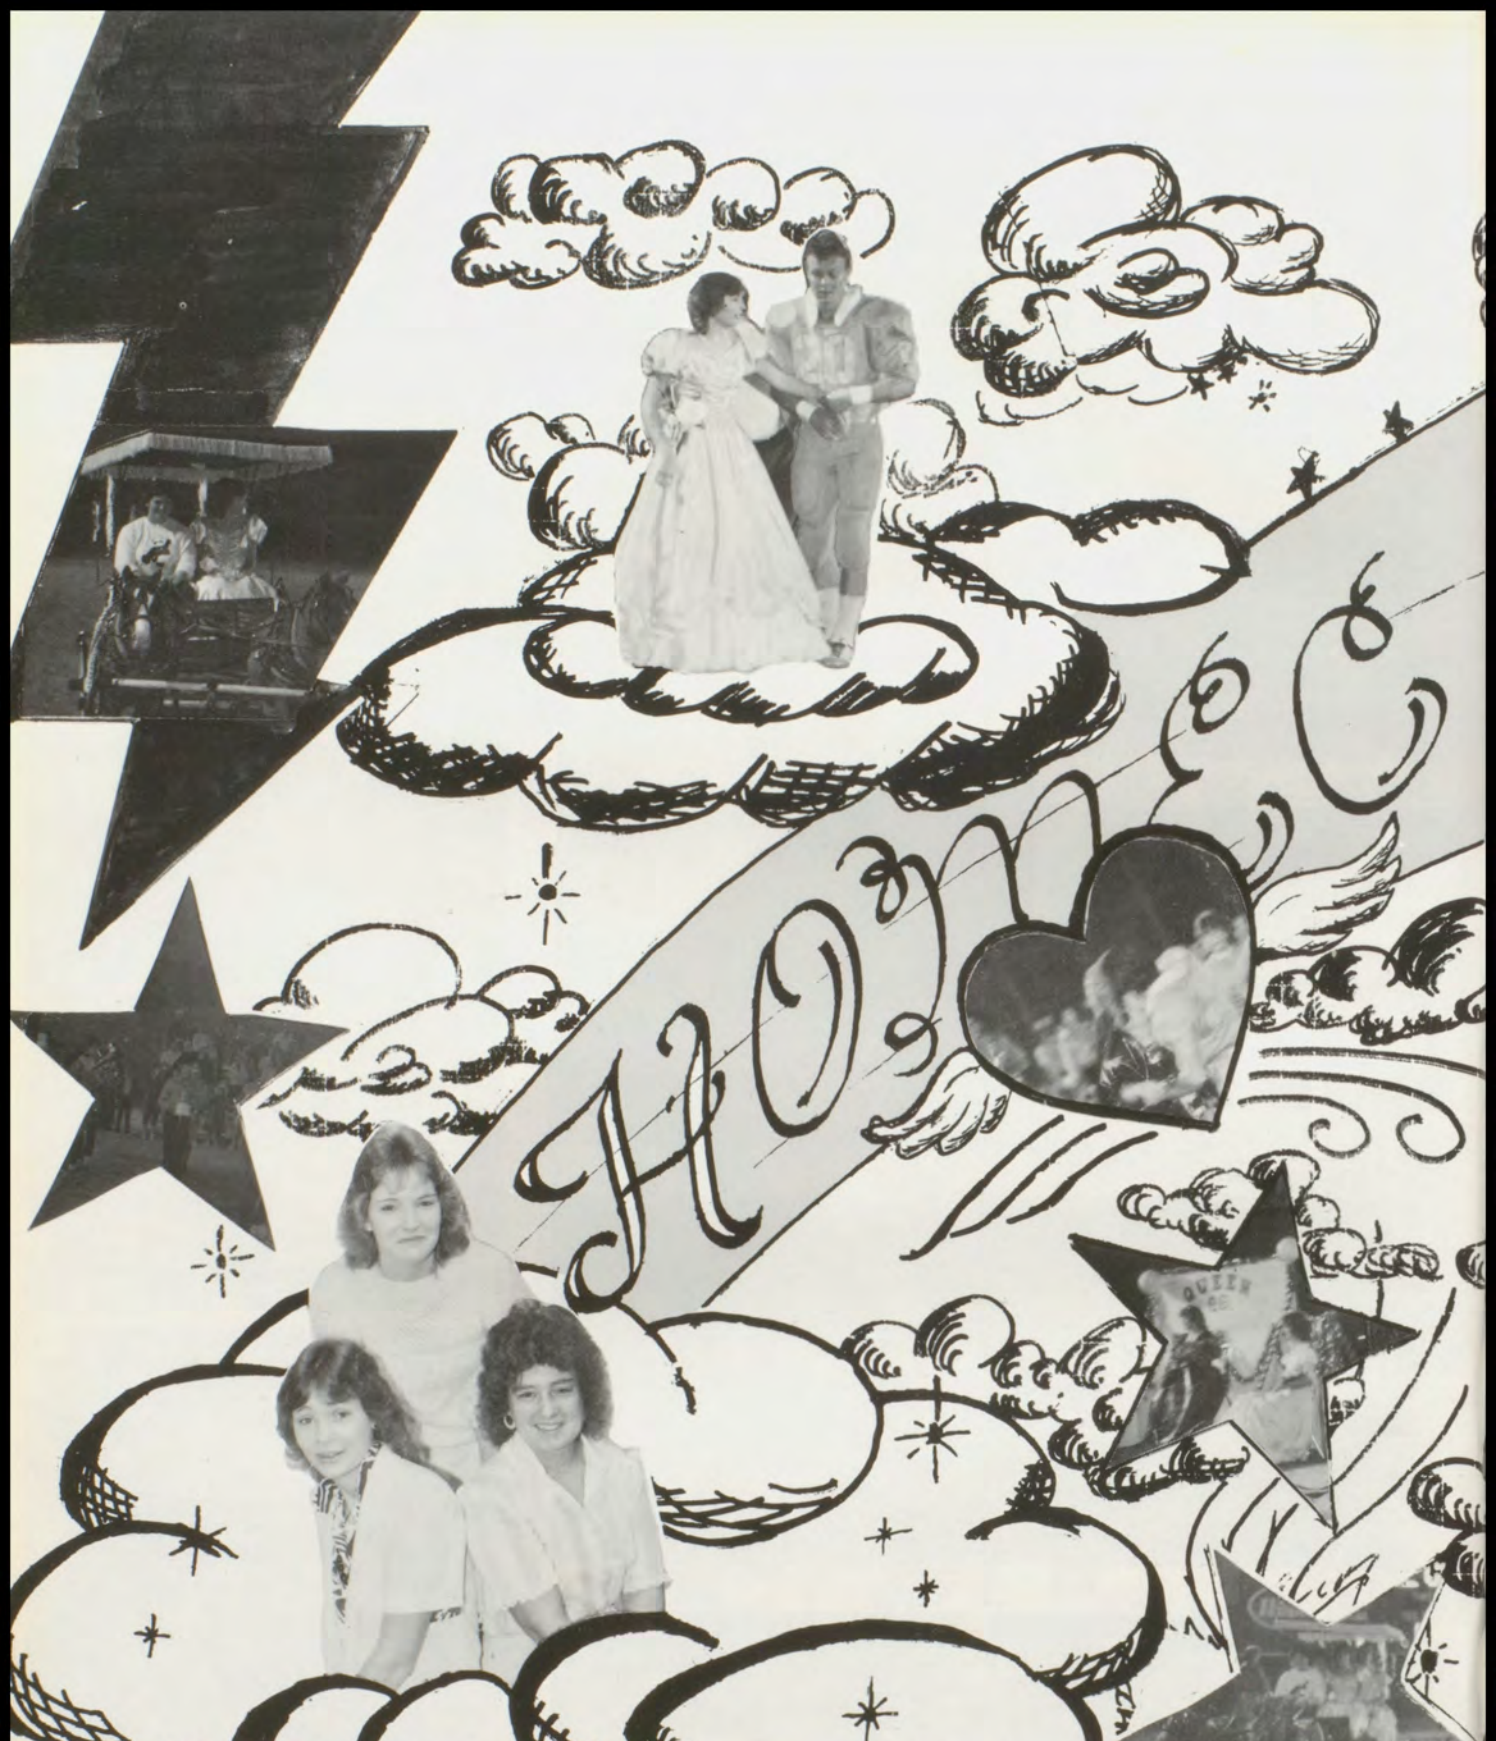

The Eagles had their
good times.
They also had their
rough.
But no matter what they
attempted
We all knew the Eagles
had the right STUFF!

The 1986 - 1987 basketball season for the girls was fast paced & exciting, with a season record of 17-9. They took first runner-up in the NEO Tournament. They won districts by beating Shidler and advancing to the Regionals. During this the girls developed a rival with Quapaw.

The Lady Eagles had five of the their team members make the all-conference team, with Lynn Voyles being voted as the conference MVP.

The ladies have all of their starting team returning for the 1986-1987 season. The ladies only lost one player, that was Senior Laura Livingston. Next Season should be even better with talent returning and new players coming up.

The Jr. High Boys started out slow this year dropping the first game to Alluwe and the second game to South Coffeyville. They beat Copan and then lost a two pointer to Delaware just before Christmas break. The Jr. High boys came back after Christmas ready for action and lost only two games. One to Copan in the fourth quarter and the second to White Oak after a see-saw battle. Although the Jr. High Boys were a long way from a perfect season, to team was able to beat them twice and they ended with 7wins and 5 losses.

The Lenapah baseball season ended with a 2-5 record. It is hard to say it was a disappointing season because the season was cut short by rain cancelled games. The Eagles lost a couple games in the last inning. The Eagles biggest problem was unenforced errors. In the last game, the Eagles lost a heart-breaker 4-5 because of a base-running error. The boys had a great time in all their games.

FHA'S President Lynn Voyles getting installed

1986-87

The FHA started out slow because no one knew if there was going to be a program this year. The installation of officers was done with a candle lighting ceremony. As usual, the FHA sponsored the Christmas Dance. As a fund raiser, the FHA sold necklaces. The FHA was not able to attend the state convention, so they took a shopping trip to Tulsa. This year instead of a banquet, the FHA had a tea.

FFA underwent no major changes this year. There were more people involved in the organization (44) than in past years. Many more awards and trophies were picked up this year than in past years also, as pictured on this page. Overall everyone was more active and tried harder which accounts for FFA member accomplishments this year.

Curtis Wilson

Sonnet

Here we are in our Senior year. We have worked hard to come this far. Now the time for decisions has come: Like how to pay for our car. We have stuck together for 12 long years, and we've watched each other grow up. But if we are adults now, why do we feel like a frightened pup? Is it because we know we must find our own way?

In a world we know can destroy, or is it that in the back of our minds we still want to be a little girl or boy.

They tell us our lives have just started, and we think, "Oh great, now what?" What problems must be answered and what armies must be fought. We are the leaders of the future. The royalty of days to come. The changes we have planned will most likely shock some.

So with our memories in one hand and our future in the other we will venture out into the world to search, learn, and discover.
