Dedication

We, the 1956 Twister staff, wish to dedicate this book to James (Jimmie) LeClere, the Coffeyville Recreation Commissioner and former Field Kindley physical education instructor.

His long hours of work in various school recreational activities have made him a well known friend to us and all students who derive many hours of wholesome fun as the result of his efforts.

Not content to do only what his job requires, Jimmie LeClere is daily striving to improve the splendid program of community recreation.

For these generous hours of unselfish service we express our sincere appreciation.

Senior History

The Senior Class of 1956 entered Field Kindley as lowly Sophomores in 1952. Mike Logan headed the class with Judy Toney and Mary Louise Scott as helpers. Forty-five girls belonged to Waitress Club and nominated Liz Littrell as their president. Steve Davis was our nominee for King Kay the Fifth. We had a nice representation in Sigma Pi as well as in the annual Kavalkade.

As "all important" Juniors we had Charles Eklund as president, with Dee Lloyd Roberts and Marilyn Metzer holding the other offices. Charles Eklund reigned as King Kay the Sixth, due to our hard work. Herman Bynum was the vice-president of the student council. Jack Metzen was the president of the Junior Red Cross Council. The Junior play "No More Homework" was the best ever given. Our Junior-Senior reception and prom furnished the Seniors with the gay "Mardi Gras". Our boys made a good showing in the various sports of the year.

Then as Mighty Seniors in the fall of the year we elected Herman Bynum, president; John Kloehr, vice-president; and Dorothy Caresio, secretary-treasurer. Judy Toney was our only cheerleader and also reigned as our football queen. Senior presidents were: Charles Eklund, student council; Judy Toney, G.A.A.; Marilyn Metzer, Drum Corps; Nancy McFerrin, Kayettes; Mary Louise Scott, Tillies; Jack Metzen, Junior Red Cross; Mike Logan, choir; Vick Falkner, Hi-Y; and Don Oneslager, band.

Darrell Rice lead the band and Shirley Hargis was at the head of the Drum Corps. Charles Smith, Bill Bowen, Jerry Doop, Mike Logan, Tony Grubbs, Gerald Livingston, Melvin Fields, Steve Davis, Don Morris, Dee Lloyd Roberts, Mike McCool and Larry Gallagher were outstanding in football. While in basketball Don Morris, Steve Davis, Tony Grubbs, Percy Lyle and Al Tate (all-state Junior and Senior year) were in the limelight. Roger Hendrix and Jerry Doop, co-captained the swimming team in its same winning way with the help of Herman Bynum and Eddie Weber. Our track men were: Mike McCool, Steve Davis, Carl Barker, Melvin Folk, Tony Grubbs (co-captain), and Dee Lloyd Roberts (co-captain). The golf players included John Vakas, Jack Howard, and Don Morris.

Junior History

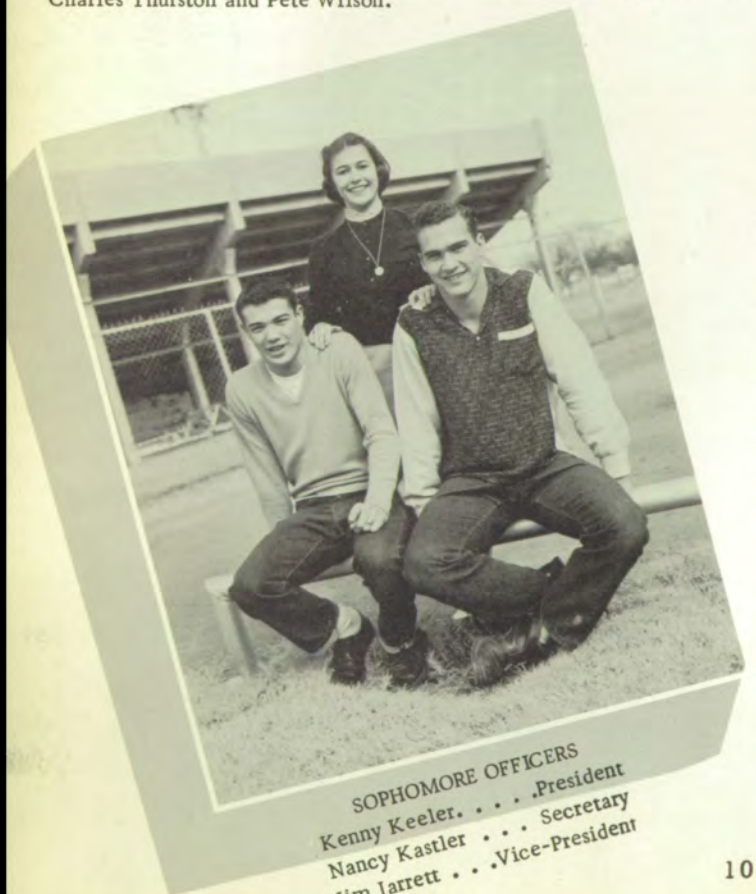

The class of '57 has been very outstanding. As Sophomores they chose Denise Bray, class president; Dick Colliver, vice-president; and Donna Casey, secretary. These boys helped us to win our eighth state swimming championship: Jack Alwood, Dick Colliver, Steve Ellis, David Seaton and Larry Spencer; all returned as Juniors except Jack Alwood and Dick Colliver. Donna Casey was swimming queen attendant as a Sophomore.

In football they showed up with four men on the Tornado squad as Sophomores: Otha Fields, Bill Hader, John Beeson and Charlie Thurston, and seventeen on the Pansy Squad. Then in their Junior year Otha Fields, Richard Roming, Jerry Levy, John Beeson, Tom Buster, Dick Colliver, Walter McAlester, Warner Bullock, Larry Wagner, Delbert Fahler, Joe Lemming, David Morrow, Bill Wilson, Roger Hollyfield, Phil Logan, Claude Kimbrel, Jim Reese, Larry Collins and Larry Miller returned to play on the Golden Tornado. Judy LeClere was football and basketball attendant in her first year at C.H.S. She was also a cheerleader along with two of her classmates Betty Gray and Judy Caraway.

JUNIOR OFFICERS
Sharon Bonham . Vice-President
Phil Logan . . . . . President
Jolayne Kraft. . . . Secretary

David Seaton was up for King Kay for both his Sophomore and Junior years, also, while he was a Junior he served as vice-president of the student council. As Junior class officers Phil Logan was president, along with Sharon Bonham and JoLayne Kraft as vice-president and secretary. Outstanding in track as Sophomores were Otha Fields, Larry Wagner, Keith Buttermore, Pete Wilson and Charles Thurston. The Breeze team made a good showing with Richard Romig, Phil Logan, Jerry Levy, Larry Miller, Bill Wilson, Bob Cain, Roger Wright, John Beeson, Charles Thurston, Vincent Knight, Otha Fields and Walter McAlester. Playing on the Tornado this year were John Beeson, Larry Miller, Vincent Knight, Robert Cain, Charles Thurston and Pete Wilson.

SOPHOMORE OFFICERS
Kenny Keeler. . . . .President
Nancy Kastler . . . Secretary
Jim Jarrett . . .Vice-President

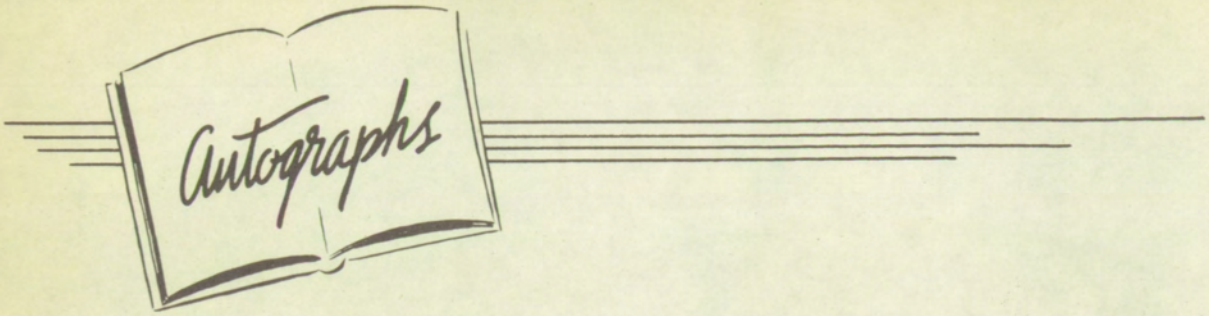

Sophomore History

Arriving on the campus of C.H.S. from Junior High, the class of '58 promptly elected as their officers for the year, Ken Keeler, president; Jim Jarrett, vice-president; and Nancy Kastler, secretary. One Sophomore cheerleader, Ruth Stevens, was elected. Those representing their class in student council were: Jerry Parsons, Ruth Stephens, Dick Downey, Jerry Dixson, Carol Speck, Roger Hall, Norma Hoppock, Nancy Kastler and Barbara Cook. In G.A.A., Nancy Riggs held the office of Scrapbook keeper. Girls holding positions on the Kayette board were Nancy Riggs and Judy Hamlin.

The boys representing their class on the swimming squad were: Ken Keeler, John Ellis, Ray Jarmon and Jerry Parsons, Jim Jarrett brought honors to the Sophomore class on the football team as the only tenth grader on the first eleven. Those on the Pansy team were: Ronnie Francis, Bob York, Dennis Knight, Danny Meek, Mike Brooks, Robin Oliver, Larry Mahaffey, Larry Wooten, Charles Collins and Jerry Thomas. While in basketball Ken Bonham, Duncan Couch, Ronnie Francis, Gary Karr, Jim Jarrett, Ralph Mehl, Grahm Moore, Robin Oliver, Barry Wentworth and Larry Wooten. Those out for track were: Jim Jarrett, Ronnie Francis, Dennis Knight, Clifford Nielson, Don Nash, Jerry Parsons, Steve Crow, Ralph Mehl, Grahm Moore, Robin Oliver, Bill Seger, Robert Rench, Sammy Richey, Walter Raney, Harold Stevens, Ken Bonham, Bob York, Duncan Couch, Joe Fowler, Vic McLeran, Gary Karr, Danny Meek, Bill Beeson, Floyd Thompson and Charles Collins.

Under the direction of Coach C. P. "Mose" Neis, the Field Kindley golfers engaged in eight meets: the Ark City invitational, the Chanute tourney, two Independence invitationals, the Wichita invitational, the Coffeyville invitational, the S.E.K. at Chanute and the state meet at Wichita. Returning lettermen from the 1955 squad were: Don Morris, Jack Howard, Bob Ulibarri, John Vakas, David Seaton and Gary Losh. The qualifying rounds were played at Hillcrest, home course for the Tornado. At the time of this writing the S.E.K. tourney had not yet been played, but it was expected that the local niblick wielders would be in strong contention for the S.E.K. championship which C.H.S. has won many times in the past.

The Field Kindley Golden Tornado finished third in S.E.K. this year with five won and two lost record in league play; the Kindleyites also dropped their non league tilts against two new foes, the Joplin Eagles and the Wichita St. Mary's Shamrocks.

The Gridsters lost their season opener to the Joplin Eagles by a score of 21 to 6. However, the McClurites came back strong against the Columbus Titans to win 60-0; the Parsons Vikings were next on the list so the Tornado hit the road only to suffer a 20 to 6 loss to the Vikes who later went on to win the league and finish third in state. The next Friday the Twister traveled to Ft. Scott to down a strong Tiger team 25 to 7.

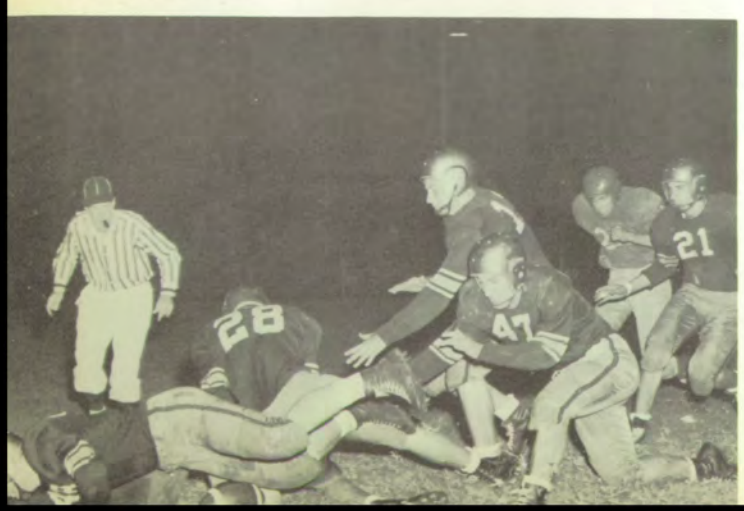

On Friday, October 21, the Javatowners met and defeated the Chanute Comets 21-0 to revenge the previous years loss at their hands. The Tornado then faced the Wichita St. Mary's Shamrocks in one of the toughest games of the year only to come up on the short end of a 7-0 score. The McClure-men then traveled to Pittsburg to down the previous year's state champs by a score of 40-0.

The next game was on Ise Field with the Iola Mustangs; the Homecoming wasn't looking like much of a success with the home town lads trailing 20 to 7 in the last quarter, however, the Tornado caught fire in the last three minutes to score two touchdowns and win a 21-20 thriller.

The Twister then hit the road to Indy where they lost by a score of 14 to 7.

S.E.K. Co-Champions

With three starters returning from last year's squad, the Golden Tornado cagers had a highly successful season in 1955-'56. Winning 17 of 21 games, the charges of coach Cliff Currier, finished as co-champs of the S.E.K. along with the Parsons Vikings. Both teams had identical records of 13-1 in league play.

The Field Kindley five set a new school scoring record at the Dodge City Invitational Tournament when they defeated Haven 93 to 57 in the opening round. The Javatowners went on to finish second in the Boot Hill tourney, nipping Wichita East on the way.

The Javatowners' biggest victory came on the home court when they beat Parsons 64-48. It was the first victory over the Vikings in two years.

Al Tate set a new school scoring record for a single season with 523 points. The old record was set in 1952 by John Stephens with 504.

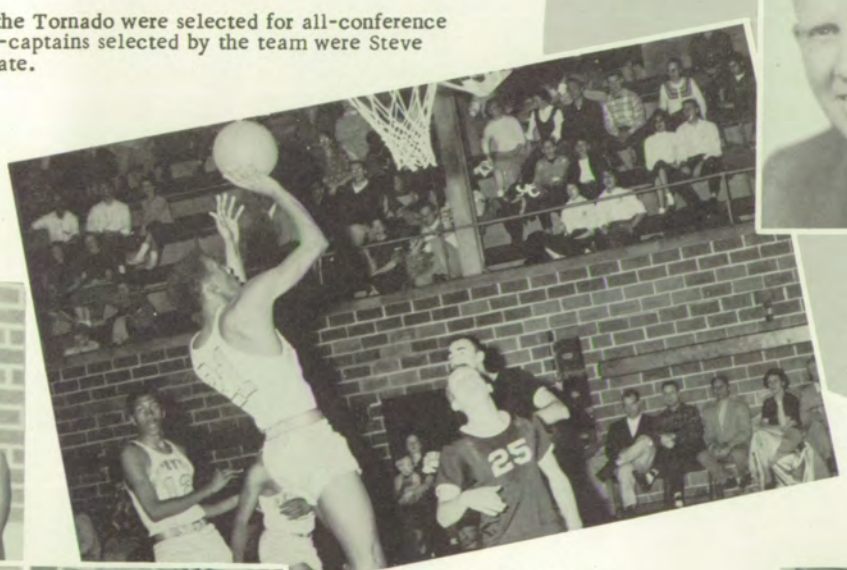

Several of the Tornado were selected for all-conference honors. The co-captains selected by the team were Steve Davis and Al Tate.

The Breeze

The Golden Breeze of Coach Andy McClure ended their play by defeating the Chanute "B" team, 55-53. The '55-'56 season was not as successful as some years as the Breeze won 9 while losing 7, some of which were very close. Short on height but long on desire and hustle the Breeze won games in which they were outreached and outmanned. Coach Currier of the Tornado looks forward to bringing some of these aspirants up to the Tornado next year.

Track

This year when Coach Oren Stoner called for recruits for his '56 track squad about 35 hopefuls responded; fifteen of these being returning lettermen from last year's squad. The co-captains were Dee Lloyd Roberts, who threw the javelin and Tony Grubbs, a 440 man. The cindermen began practice February 23 and ended the season with the state meet at Wichita East, May 18-19.

Results of the meets for this season could not be obtained for use in the annual because of the deadline date. It was hoped that this years' record would be better than that of last season because of 15 returning lettermen as compared to last years' six. Aside from the lettermen, Stoner had a number of newcomers who looked very promising in the first weeks of practice.

In work with the runners, Coach Stoner is ably assisted by Andy McClure. This coaching combination has won many S.E.K. championships. The Kindleyites were expected to give a good accounting of themselves in one of the annually awaited contests, The Coffeyville Relays, which has become one of the main track and field attractions in the four state area.

Student Council

The Student Council, which is one of the oldest organizations in Field Kindley, was under the direction of President Charles Eklund during the 1955-56 school year. The 25 members are elected by their home rooms, with each representative having an alternate.

Coffeyville was one of the first Kansas towns to start a council, so the students could have a voice about extra curricular activities.

Much of the work of the group is done by the 5 committees: Constitution, Assembly, Policy, Service and Social. Some of the events, which the organization sponsored, included the lyceum numbers, Courtesy Week, Youth Week and Kavalkade.

Miss Hoover is the sponsor of the council.

Beginning with their first big moment at Vinita, Oklahoma the 1955-56 Girls Drum and Bugle Corps now close another successful year.

The past year will be but another link in that chain of "Golden Years" and we will always remember the banquet where Shirley Hargis presented Jeanette Ross her baton making her the new drum major.

We'll have our "moments to remember" with all the half-time shows, parades, and that final drill.

This was the 22nd year for Coffeyville Girls Tornado Drum and Bugle Corps. The organization is well known throughout Kansas, Oklahoma, and Missouri for its outstanding marching and maneuvering ability. The corps has participated in these states giving their best in the various parades and drills.

For the first time in the history of the club, its members attended the state meeting of the League at Wyandotte High School in Kansas City, Kansas, March 3. Each member received a silver pin with the letters J.C.L. engraved on it. Students who show outstanding achievement in the course are also presented with a sterling honor award key.

The class has talked to people all over the United States, as well as our neighbors of other lands. During the school year, they have learned to build transmitters and receivers; they also learned to send and receive codes. Mr. Lynn, the sponsor, has done a fine job with the students.

A delegation of Hi-Y boys traveled to Neodesha for the Southeastern Kansas Conference. The group was also represented at the annual spring district conference. A membership picnic was held last fall at State Lake; the Senior Farewell picnic took place the first of May. The Hi-Y boys also helped plan and participated in the Thanksgiving and Easter chapel programs. Mr. Thorne and Mr. Lynn are the sponsors.

Band

The 1955-56 band, under direction of Harvey Lewis and drum major Darrell Rice has taken part in more extra curricular activities this year than before. This musical organization took part in all the home football games. They presented seven half-time shows, including both homecomings and two out-of-town exhibits. In addition to the out-of-town trips the band traveled to Lawrence, Kansas, for the annual band day last fall and to Independence for the yearly band festival which was held on April 20.

For the first time, the band had a chance to sell large chocolate bars with C.H.S. emblems on them. With the money they made off these sales, the band planned an all day trip in the spring.

This years' Swingsters turned out to be a melodious dance band under the direction of Don Oneslager, who is better known as "The Mad Drummer". They called themselves "The Music Makers". The members of this group included: Don Oneslager, Darrell Rice, Charles Eklund, Bobby Scott, Gary Losh, Roger Hall and Johnny Ellis.

The band marched in the Halloween Parade, at the fall opening and at the Christmas parade here. There was a small pep band on T.V. for the Independence football game.

The band consisted of 69 members. The officers were: president, Don Oneslager; vice-president, Jerry Tener; and secretary-treasurer, Maryanna Hildebrandt.

The C.H.S. orchestra with its membership of forty one, is under the direction of Mr. Harvey Lewis.

Besides the main orchestra there is a dinner orchestra which plays for various banquets throughout the year.

One event looked forward to annually by this musical organization is the S.E.K. orchestra festival, which was held in Pittsburg.

Other events that called for the performances of the main orchestra included the junior and senior plays, Kavalkade and special assemblies.

The Robed Choir, with 57 members and directed by Mr. Crow, began their singing appearances for the '55-56 school year when they sang as part of the Thanksgiving assembly. Their next appearance was in the Christmas assembly, when they gave a full 45 minutes singing program, they had given it the previous Sunday for the townspeople in the high school auditorium. In the Kavalkade the songsters were interwoven all through the program by singing for the various dances and acts.

The choir went to Parsons for the S.E.K. choir festival on March 23, and did a very good job of representing C.H.S. They then moved on to the Easter assembly and made another excellent showing.

The members of this organization are chosen for their ability when they try out for Mr. Crow. Betty Gray acted as accompanist, while the officers for the year were: Mike Logan, president; Danny Steele, vice-president; and Jean Schacht, secretary-treasurer.

There are two third hour choirs; one all girls chorus directed by Mr. Lewis and the other a mixed choir under the direction of Mr. Crow.

The Tornado Tillies Pep and Service Club has had many activities during the school year. The Tillies attended all the home football and basketball games and several out-of-town ones. The Regional Tournament at Parsons was also attended by the girls. Season tickets and schedule pencils were sold by the group. On November 25, the 27 annual reunion was held at the Dale Hotel, with "Take Me Out To The Ball Game" as the theme. The Tillies sold Christmas cards and wrapping paper, which they have done for many years. The organization helped the community by collecting for the March of Dimes drive. Pep assemblies and the football, basketball and track coronations were planned and carried out by the girls. The Tillies attended several track meets, including the Coffeyville Relays. Junior and Senior Tillies ushered at their respective class plays. The group enjoyed the Christmas party and the Easter party, which climaxed "Bunny Buddy" week. New members were initiated at the annual "Tillie Initiation", and all survived the ordeal. The last event of the year was the Senior Farewell, which was held at Rock Point Lodge.

The 1955-56 edition of the Coffeyville Debate Squad had a full schedule this season, being on the tournament road for eight weekends during the first semester. The squad, composed mainly of underclassmen, compiled a better than 500 average, having a 64-59 won and lost record over the year. The following invitational tournaments were attended: Russell, Winfield, Topeka, Newton, Pittsburg, Wichita, and the Shawnee-Mission finale.

Five debaters earned letters this year. They were senior Montra Huffman; juniors David North and Bob Gandt; and sophomores Patricia Wettack and Dick Downey. The debate question was: "RESOLVED: That the Federal Government Should Guarantee Higher Education to Qualified High School Graduates Through Grants to Colleges and Universities."

The high point of the season occured at the Pittsburg tournament, when the team of Pat Wettack and David North were undefeated, compiling a perfect 6-0 record. The best speaker point average for an individual tournament was posted by Pat Wettack with a 1.6 speaker rating a 1.0 is the best obtainable. Coach Tarbell hopes to mold a winning unit for next season around two outstanding sophomore debaters, Pat Wettack and Tommy Mummert.

Publications

Although the Twister Staff appears on page one of this book, all the journalism students had a part in producing the 1956 annual, and credit should go to each and everyone. Both of the journalism classes helped with the school paper as well as the yearbook.

This year the journalism classes published 15 issues of the Tornado Times, the school paper. The various positions on the staff were changed freuqently to permit each student to try his skill at different jobs. The Times is a self-supporting school project published by seniors.
