THE GUIDES

GEORGIA LEE ROCKWELL
Secretary to Principal

FLORENCE HARPER
Secretary-Clerk to Superintendent

BARBARA CAFLISCH
Assistant Secretary

In 1849, at the time of the gold rush, there were leaders who guided the people in their quest for gold. Today, in 1949 there are leaders who guide our youth in their quest for knowledge. Among these leaders are the teachers.

On these pages are presented the faculty of I. H. S. Our teachers are important not only to the school, but also to the community, for they serve on numerous committees in civic organizations.

The 1948 football season brought more than a little recognition and prestige to Independence—for it was the 1948 edition of the Bulldog football machine that rolled to an undefeated season in the SEK league play to give Independence its first SEK league championship since 1932.

Carl Nelson's Bulldogs culminated a brilliant season by pinning a 25-0 defeat on the Coffeyville Tornado in the last and pay-off game of the season, to slip in under the wire ahead of the hard pressing Parsons Vikings. The team featured great spirit, hustle and never ending will to win. The 1948 Bulldog eleven was noted for its evenly balanced combination of a powerful line and a set of hard hitting, running and shifty backs.

The team had numerous stars, but gained their SEK league laurels through the fine play of the team and squad as a whole. The necessary spark plug to move the 'Dogs to final victory was rotated frequently. It was this unusual player make-up that enabled the '48 Bulldogs to return the SEK league football crown to the halls of the Orange & Black for the first time in 16 years.

Kebert Near Moberly Braden Chase Dye

Winning seven and losing seven SEK league games, the 1948-49 edition of the Independence Bulldog basketball team enjoyed a better than good cage season, under the watchful eyes of coaches Bob McHenry and "Kayo" Emmot.

The seven-seven split in SEK loop competition was good for a share of the league's fourth place, with the Pittsburg Purple Dragons. This was a considerable improvement from the seventh place pinned on the Bulldogs in the 1947-48 cage wars.

Highlighting the cage season on the local high school front was the 48 to 38 upset victory by Independence over their arch rival, Coffeyville, in the class AA regional tournament. The victory marked the first time that Independence defeated the Tornado in 15 attempts.

An encouraging factor in the past cage season was the brilliant record compiled by the Bulldog "B" team, who were victorious in 15 out of 16 starts. The outlook for the next basketball campaign promises to find the Independence Bulldog high up in the SEK league—or even possible league champions.

There isn't any doubt that winning the Tri-State was one of the most outstanding occasions of the season. They entered the tournament with high hopes and a determination to win; so after winning the first and second games, they had all the inspiration that was needed to be the champs. The Wildcats played the final game with as much enthusiasm and team work as any basketball team could display.

STUDENT STAFF

"The Student", our school paper, is published by journalism students under the supervision of their instructor, Miss Lora Todd. All the work of publishing a paper is studied and put into practice during a regular class period.

Printing the paper proved to be quite a handicap this year, owing to the fact that we have had no printing teacher to supervise the printing. This problem has been solved by having the Independence Daily Reporter set the type and hiring a press man to run off the paper on the school press. All the make-up was done by the students and instructor.

The "Student" strives to present school news in a manner which is interesting to students, instructors, and patrons of the school. It also contains feature stories and guiding editorials.

The staff is rotated every quarter to give the journalism students an opportunity to gain experience in different phases of newspaper work.

Advertising is solicited by students from our local merchants, who are always most cooperative.

Each year the paper sends representatives to a journalism conference which is held in Lawrence, Kansas. Students who attended the conference this year were Phyllis Guyer, Betty Tobaben, Wally Brann, and Bill Pendleton.

Approximately 1300 papers are printed each issue some of which are mailed to advertisers, former students, all boys in the service, as well as being distributed to students and teachers in the system.

"The Student" has an exchange list of papers of 50 other schools, and is a member of The National Scholastic Press Association.

ORANGE AND BLACK STAFF

the 49'er

The first step that was taken to start the high school annual of 1949 on its way, was the selection of the staff members by the faculty. There are 16 students on the staff, 14 seniors, and 2 juniors.

The staff has chosen "The 49er" as the theme for the annual, recalling, a century later, the days of the 1849 gold rush.

This year, in addition to their duties of editing an annual, the staff sold the books, as they weren't included on the high school activity tickets. The staff sold over 600 books through a poster campaign.

A cover was chosen at an earlier meeting of the staff, and then the real work of editing a yearbook was begun. Pages were planned, pictures were taken, copy written, and many other details were taken care of by the staff members.

Most of the school photographs were taken by Mr. Lee, a faculty member, and the staff would like to take this opportunity to thank Mr. Lee for his contributions to "The 49er".

Advertising for the yearbook was solicited by the student ad collectors from the very cooperative Independence merchants.

Much credit should be given to Mr. Fitzgerald, art instructor and sponsor of the annual, for his efforts in supervising the editing of "The 49er".

The vocal music department of Independence senior high school is under the direction of Mr. Harold Thompson, and consists of a girls' chorus, a boys' chorus, and a mixed chorus composed of boys and girls.

The choruses main purpose is to present musical programs whenever they are needed. They have presented special programs for the public and also have appeared before some of the civic clubs during the past year. A girls' trio and a boys' quartet also have made public appearances during the year.

One of the highlights of the year occurred when the mixed chorus attended the music festival at Fort Scott. There they joined voices with approximately 600 other youths from the schools of Southeastern Kansas.

Fourth Row: Jim Gillmore, Ralph Deltenre, Bill Gooldy.

Curtain! Curtain calls! We're taking curtain calls in remembrance of a happy and busy year of dramatic activity.

First semester The Footlights Club produced three assemblies: the Iola-Independence pep assembly, the S. E. K. victory assembly, and the Christmas play, "The Empty Room."

A highlight of the year was a formal Christmas dance to honor the alumni. It was held at the Kansas Hotel.

A night of one-act plays in cooperation with the College was inaugurated in March. The Club produced "Jazz and Minuet" which later won first place at the district drama and speech festival.

During the year two radio shows were produced over KIND. Two one-act plays, "The Man in the Bowler Hat" and "George Washington's First Defeat," and innumerable readings were presented by club members to various church and civic organizations.

Work projects successfully completed were the redecoration of the dressing rooms and the recovering and painting of the interior set.

Under the leadership of Charles Chipman, president, and the guidance of Margaret Goheen, sponsor, the final curtain for the 1948-49 season has closed upon a most successful year for the Footlights Club.
