INDEPENDENCE, KANSAS

1956

COMMU

NICO

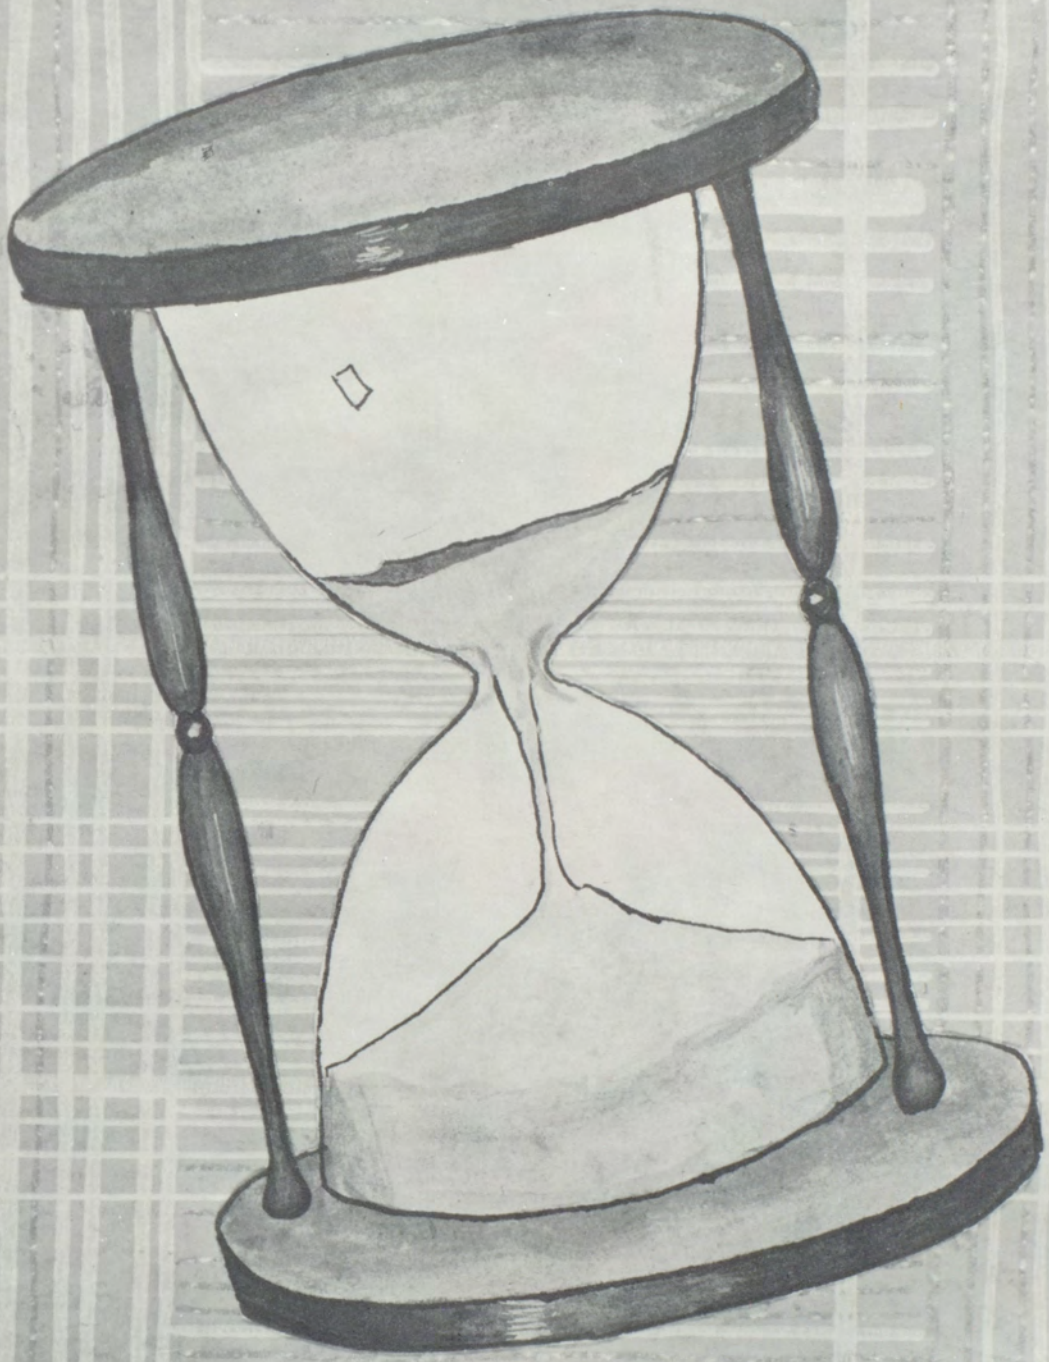

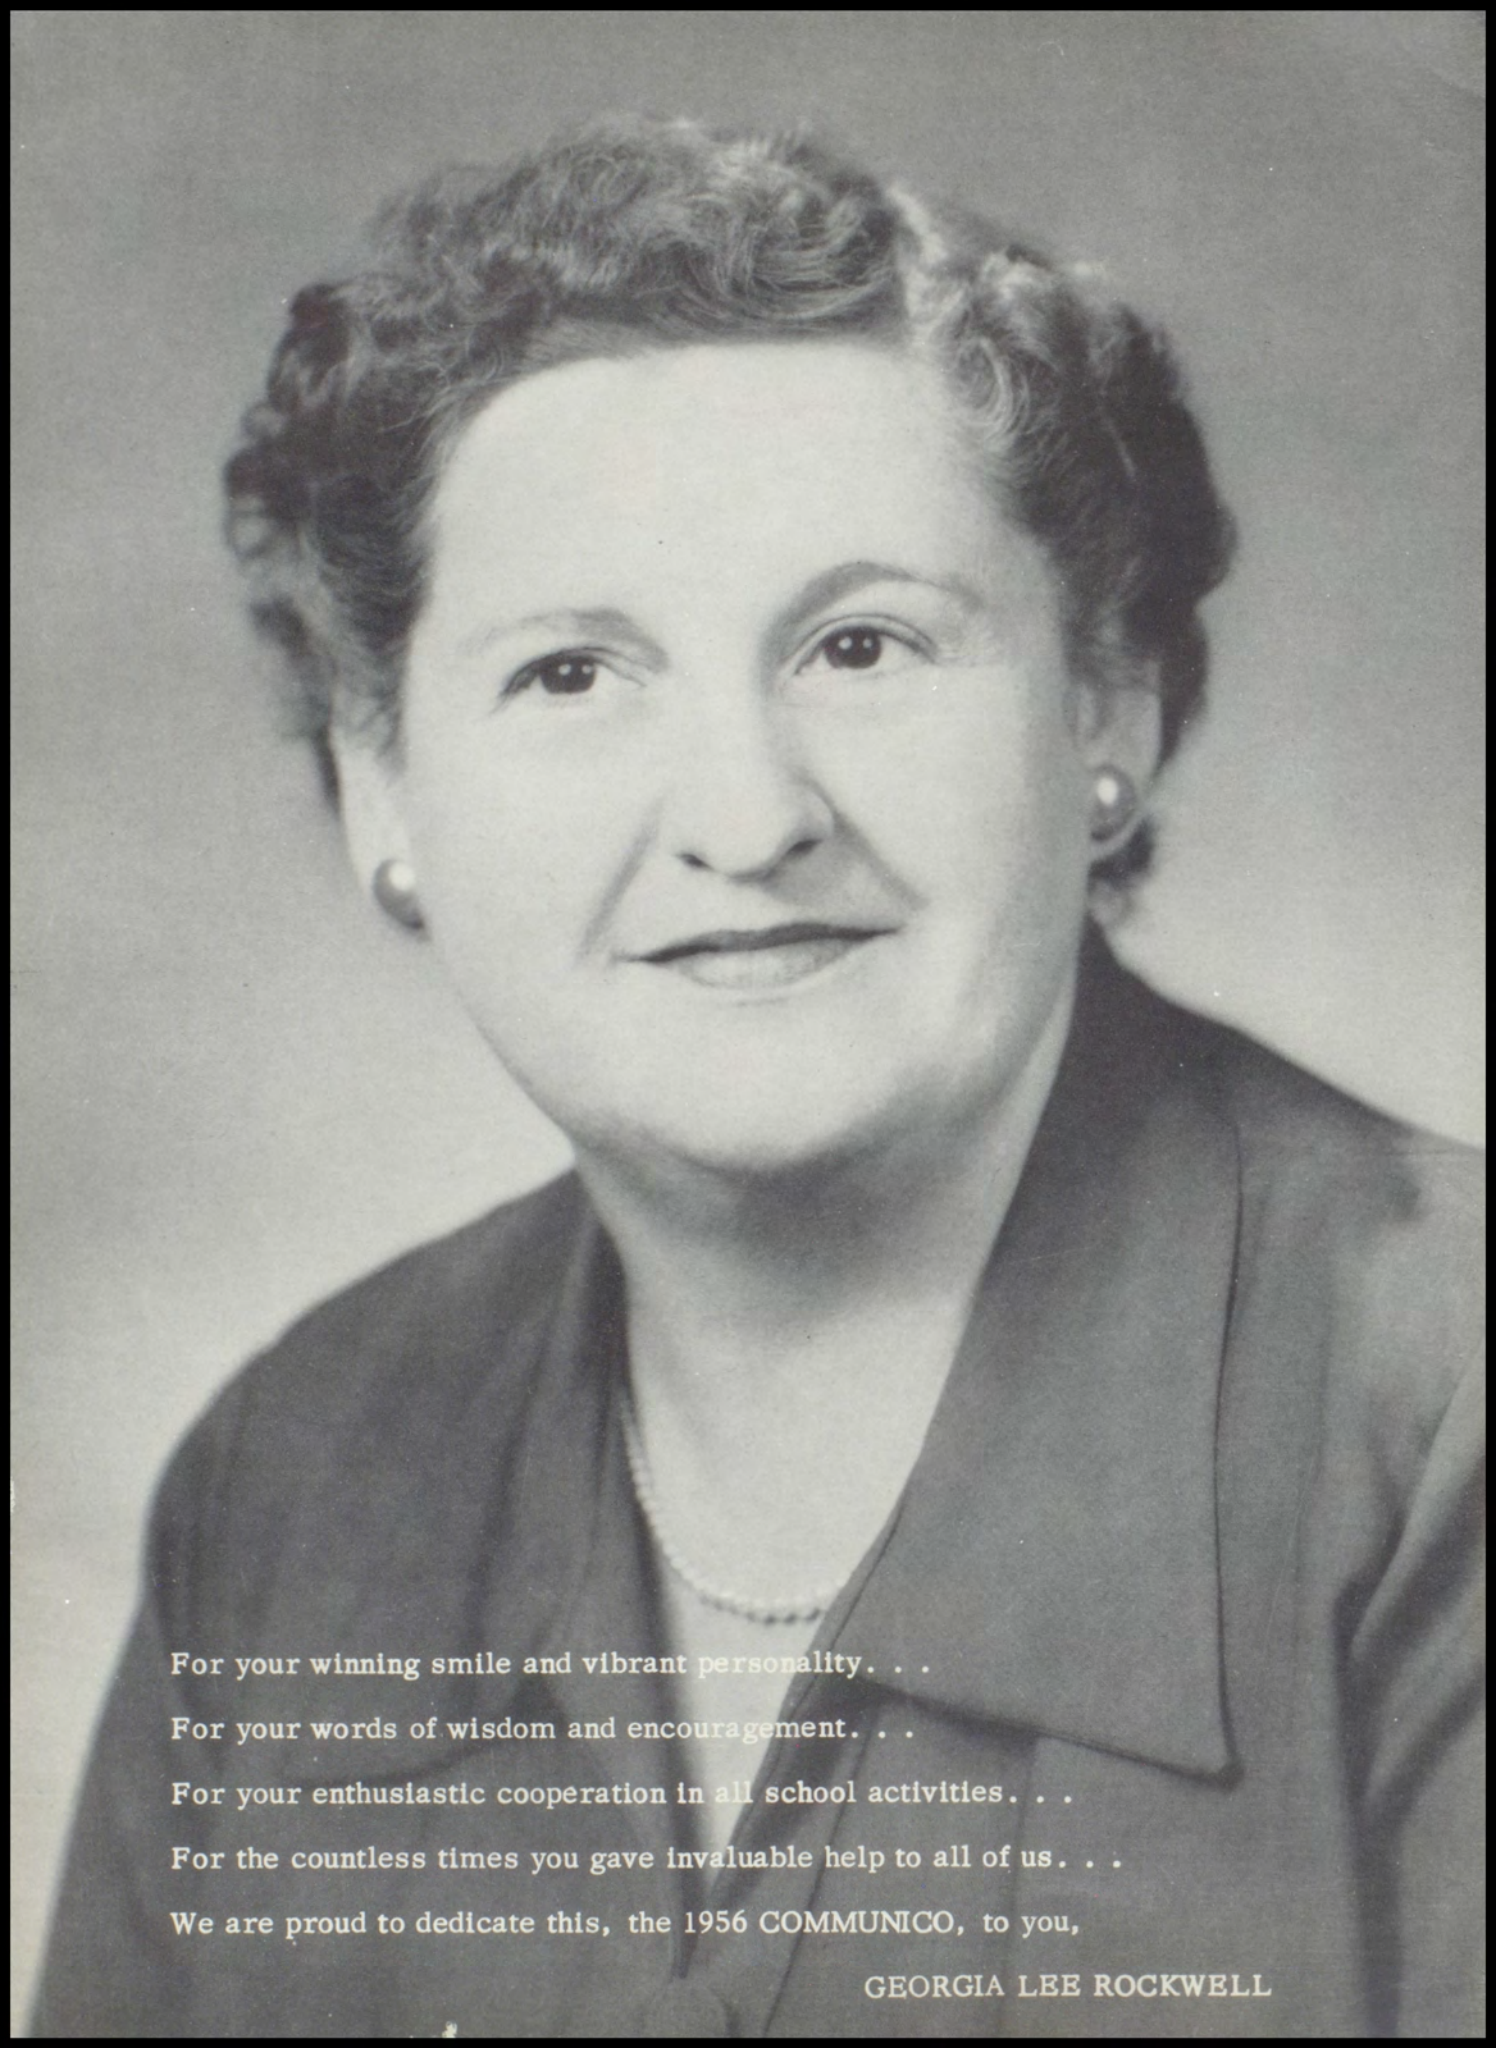

AS LONGFELLOW SAID:

"What is time? - - the shadow on the dial, the striking of the clock, the running of the sand, day and night, summer and winter, months, years, centuries - - these are but the arbitrary and outward signs - - the measure of time, not time itself. Time is the life of the soul."

It is the purpose of this 1956 Communico, therefore, to recapture for you on the following pages, the outstanding memory times of your 1955-56 school year.

Administration

For your winning smile and vibrant personality. . .

For your words of wisdom and encouragement. . .

For your enthusiastic cooperation in all school activities. . .

For the countless times you gave invaluable help to all of us. . .

We are proud to dedicate this, the 1956 COMMUNICO, to you,
