1957

INDEPENDENCE COMMUNITY COLLEGE

Independence, Kansas

In recent times we are steadily becoming more aware of democracy and government around us and that is primarily why we chose it as the theme for the 1957 Communico. You will see that the smooth functioning of our school system is paralleled to our federal government.

"DEAR I.C.C."

WORDS AND MUSIC BY
LLOYD M. MORDY

E. L. HELMAN

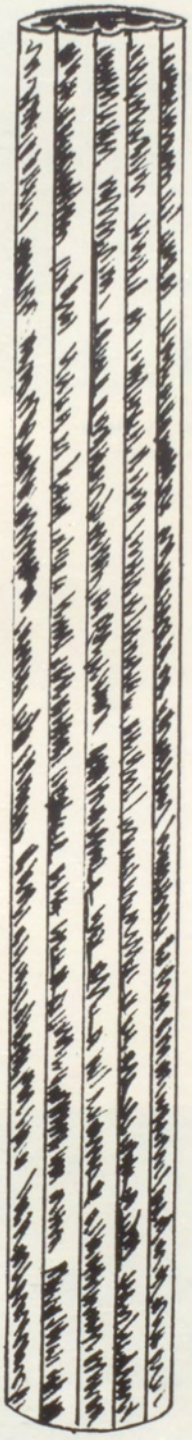

In the building of a great nation, we sometimes overlook giving credit to whom credit is due. In this school system, we especially mean those men who keep the school looking clean, who are willing and cooperative when teachers or students ask them to perform various tasks, who are always friendly and always smiling. For this reason, we dedicate to them, the 1957 COMMUNICO.

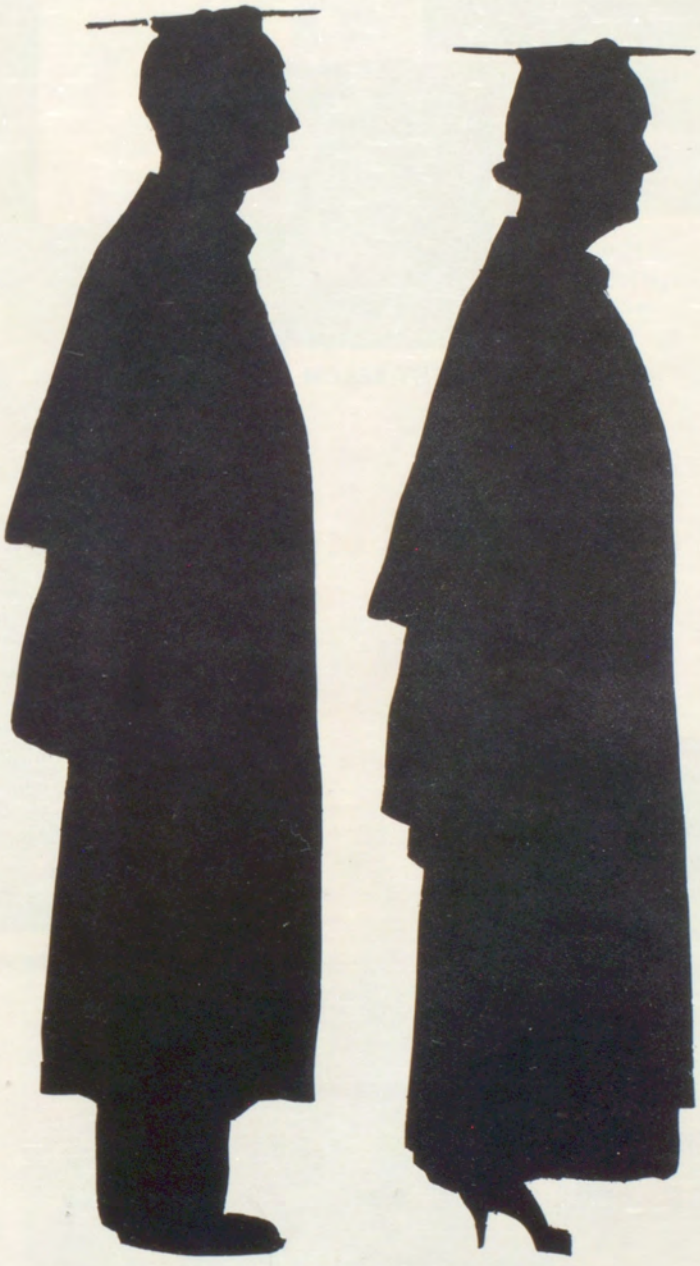

RALPH EASTERLY

IVAN BRACKEN

ADMINISTRATION

Even as our Government must legislate and execute so must the school system follow this plan.

These are the words that issue forth from the lips of a student announcer each morning at 11:30 a.m. over station KIND introducing the series of broadcasts that originate live from our campus.

May marks the completion of our sixth year of campus broadcasts. During the six years our program has developed from a five minute taped delay to a fifteen-minute live show.

All of the programs are produced, announced, and operated by students of the production staff who are enrolled in Radio Production, a three-hour course. During the school year most of the faculty and a large number of the student body appear on the show representing various departments and campus activities.

It is hoped that "The Voice of Your College" serves the public by keeping them informed about the curricular and extra-curricular offerings and activities of Independence Community College.

GRIDMEN

"TOUCHDOWN"

The Pirates opened the practice sessions August 26 with thirty-six men reporting for this practice.

Three weeks of hard practice proved worthy as the Pirates defeated Garden City, the defending state champions, 13-12. This conference winning skein stayed pat until the Pirates met Coffeyville, who were the '56-'57 state champions.

Parent's night was also a highlight of the current season. The guests were entertained in the cafeteria following the game.

Miss Mary Ann Pedigo was crowned queen in the homecoming game which featured a victory over a strong Hutchinson eleven.

The Lions Club Banquet, with guest speaker Chuck Mather, Coach at University of Kansas, was the final highlight.

The Bulldogs, starting with four lettermen, came up with an energetic group of juniors and sophomores and four unlettered seniors that turned the tide to victory, winning seven of eight games.

The Bulldog sparkplugs were William Turner and Pete Wall who usually ran the opposition dizzy with their quick flashes of speed and powerful blasts through the line. Turner scored 118 points and Wall scored 68.

Even though the Bulldogs don't consider any season real successful unless they down the Tornado to the South, the Bulldogs enjoyed what seemed to be a short season because of their winning habit.

Thirteen, of the twenty-one lettermen, will return and they are anxiously awaiting another football season.

In all games, the Pirates displayed a spirit that made the school and community proud of them in victory or defeat.

BASKETBALL

The 1956-57 basketball season opened in late November, with six returning lettermen around which to build the squad. The schedule was well planned and the boys worked hard in preparation for the first game.

IHS placed third in the S.E.K. with a league record of ten games won and four lost. They had an in and out season with an overall record of fourteen games won and nine lost.

The "B" squad had a very colorful season and finished with a record of twelve games won and three lost.

elected co-captains for the season just completed. George Sherwood was voted the most inspirational player on the squad. This is indeed an honor, and George was certainly worthy of it.

The "A" squad set a new school record for the total number of assists in one game. This game was played at Fort Scott, and the total number of assists was thirty.

To those boys who leave us this year and who helped so much in fashioning our won-lost record, good luck. To those boys who will be back next year, let's be champions.

"One for all, all for one."
