DEDICATION

MISS WAUNETTA GILL

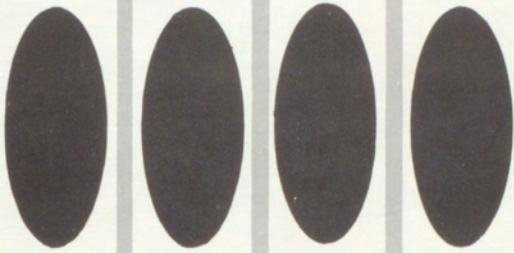

In 1950, the year following the founding of the Independence Bible College, Miss Waunetta Gill came as Instructor in the departments of Commerce and English. Later she taught Music, Art, and Home Economics.

From 1960 through 1964 she sponsored "The Lantern".

In 1964 Miss Gill answered the call to Foreign Missions in Grenada.

At the time of her leaving, no worker had served more years in the Independence Bible College than Miss Gill. Her life speaks of accuracy in living. A fitting motto might be - "A thing worth doing is worth doing well".

RELIGIOUS PRESS

It was in 1952 that the new Press building was completed and the equipment and manager, Rev. Howard Johnson were moved from Bellflower, Missouri. The building was designed and built with two apartments in the East wing for employee's living quarters. Rev. Howard Johnson managed the press until 1956, after which Kenneth Montgomery became manager. The press prints all our church publications, calendars, job work and other religious and commercial material. It has been a training place for a number of Bible School students, who are today working in the printing trade. At the present time, Lloyd Davolt, a former student, is manager and he and his family live in the East apartment.

Honor Students

Dale Johnson, with a grade point average of 3.27, and Launa Howard, with an average of 3.23 were Honor Roll students during all three of the six weeks grade periods of the first semester.

We commend these seniors for their superior scholastic achievement and trust their diligence will be a pattern for others to follow.

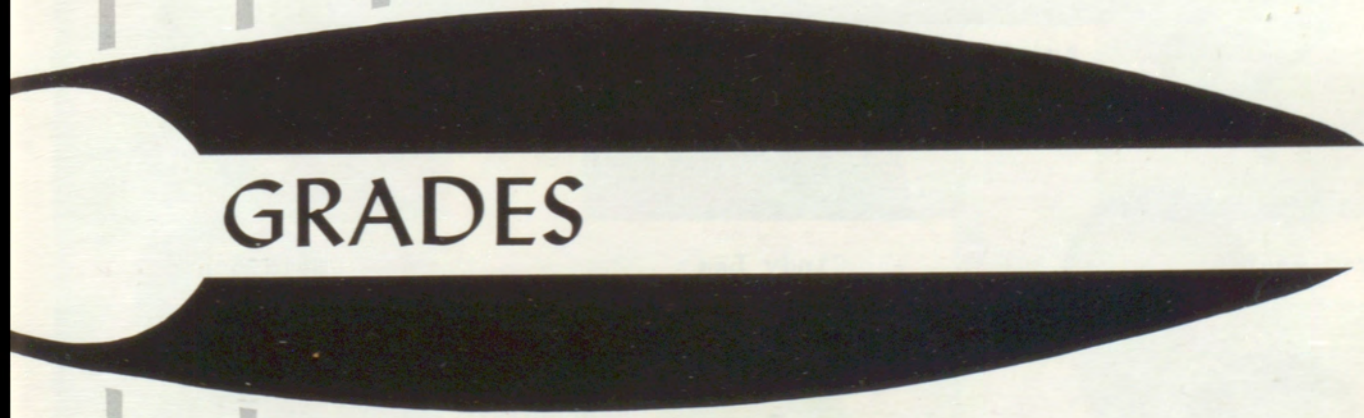

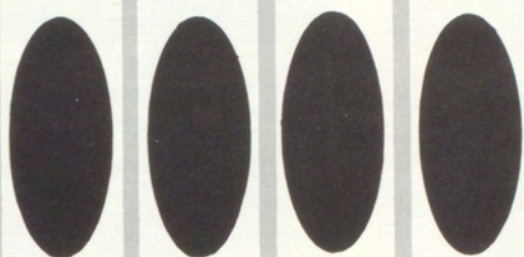

A L U M N I A S S O C I A T I O N

The I.B.C. Alumni Association held its second annual meeting in August, 1964. The president, Darrell Wallingford, led the business meeting which was preceeded by a time of fellowship for the members present. Officers were elected as follows: Darrell Wallingford, president; Keith Knight, vice-president; Joy Smith, secretary; Robert Kirks, treasurer; Cecelia Douglas, editor of the "Alumni Notes" in the Bible School Messenger.

Although the graduates are widely scattered and many were not able to attend, most of the graduating classes were represented. It is hoped that each year will find our attendance increasing. Due to the fact that the Organization is just beginning, its competency is yet limited. However, we trust the Association will become a strong influence in the support of our School, both spiritually and materially.

In the coming years as the Alumni members annually meet, may the blessing of Christian fellowship prove an inspiration to all.

As the years pass by, this memory book will recall the happy days at I.B.C. where we were privileged to enjoy the daily contact of the school life and its activities.

The faithful effort and cooperation of the staff of the LANTERN in recording the spiritual and academic education reflects the close Christian Fellowship and high standards of the Bible College.

Let us be thankful that freedom of religion and education are still possible in this great land of ours, and that through the diligent interest of the teachers and cooperation of the church and community, Divine guidance will help these students attain their goal.
