THE SENIOR CLASS

It seems only a short time since we were first permitted to enter the great institution of learning, known as Sedan High School.

When we first entered S.H.S., we were somewhat unsophisticated, but we soon learned the ways and customs of high school life and were soon able to overcome most of the difficulties that confronted us.

As freshmen we numbered fifty-nine. Miss Fisher and Mr. Nelson were the sponsors: Kenneth Dunn, president; Virginia Calhoun, vice-president; Lester Barnes, secretary; Mary Garritson, treasurer. These sponsors and officers demonstrated their ability as guardians and helpers by putting over several fine picnics and social affairs.

Our sophomore year was sponsored by Miss Rice and Mr. Webb, with Ralph Glenn, president; Mildred Percy, vice-president; Dorothy Denman, secretary and treasurer. The outstanding good time of this year was our hay wagon ride and picnic to Copple's Hill.

Our junior year was one of the very best. Sponsors were Miss Baldridge and Mr. Daniels. Class officers were: Mildred Gilstrap, president; Shannon Kinlade, vice-president; Virginia Calhoun, secretary and treasurer. A Christmas party held at the home of Glen Eslick, is remembered by all with pleasure. The Junior-Senior banquet, given by us, was very successful and enjoyed by all. "Come out of the Kitchen" the Junior play was very successful.

We entered our senior year the class numbering forty-eight. The sponsors were Miss Dennis and Miss Smock. Class officers were: Norman Loomis, president; Iva Jensen, vice-president; Horace Dungan, secretary and treasurer. One of our number soon became discouraged with the trials of the senior year and dropped out of the school; and two other girls later were lost in the sea of matrimony, leaving us a graduating class of forty-five which is the largest in the history of S. H. S.

Social events which we shall remember are our party in Ackarman Hall, our picnic trip to Bartlesville Park, The Junior-Senior banquet and the good times of Senior Week. The Senior play, while not primarily a social event, was the source of much pleasure and was very successful.

As we graduate from dear old S.H.S. we leave with her our most sincere gratitude and hopes of her future success.

A group of seventy young people entered the gates of S.H.S. on September 1, 1924, eager to learn what S.H.S. had in store for them.

The sponsors of our freshmen year were Mr. Nelson and Miss Case. Our class officers were Esther Sturges, president; Francis Smith, vice-president; Vena Copple, Secretary-treasurer. These sponsors and officers helped us to have many good times.

We passed through our sophomore year, sponsored by Miss Case and Miss Briggs. Our class officers were George Meacham, president; Robert Rhodes, vice-president; John Foster, secretary-treasurer. Several social events afforded good times for us during the year.

Our Junior year was to be remembered by all. Miss Baldrige and Mrs. Dahlquist were our sponsors. Our class officers were Vesta Woodworth, president; John Foster, vice-President; Dorothy Tulloss, secretary-treasurer. The junior play, "Not so Fast" was enjoyed by all who attended. The Junior-Senior banquet which we gave was very successful. The class enjoyed the many good times planned for this year.

We were well represented in all three years in all school activities.

Early in the fall of 1925, a group of youngsters presented themselves at the gates of S.H.S. and asked the privilege of making a four year voyage through high school. The first year of the trip was a very successful one for them. They furnished a letter man for basketball, two members for the track meet held at Cedarvale, while at the county contest, the pianist and cornetist could also be claimed by them. That they wholeheartedly supported the music department is proved by the fact that in the operetta the pianist and two students for the leads and many members of both glee clubs and the orchestra were from the freshman class.

In September 1926 the same class, perhaps with less members, began the second year of their voyage. They were now Sophomores. Again they gave a letter man to the basketball team. Two members for the boy's quartet of the school and three members of the girls' quartet were Sophomores. A great honor was bestowed upon this class for one of its members was called to Winfield to play in the Oratorio Elijah.

When, as juniors they enter upon the third year of their journey, they will as whole-heartedly support the school in all of its activities as they have done.

September 6, 1926 was a memorable date for us, the Freshmen. We started the year with fifty-eight members enrolled. Fourteen members dropped out before the close of the year leaving a class of only forty-four.

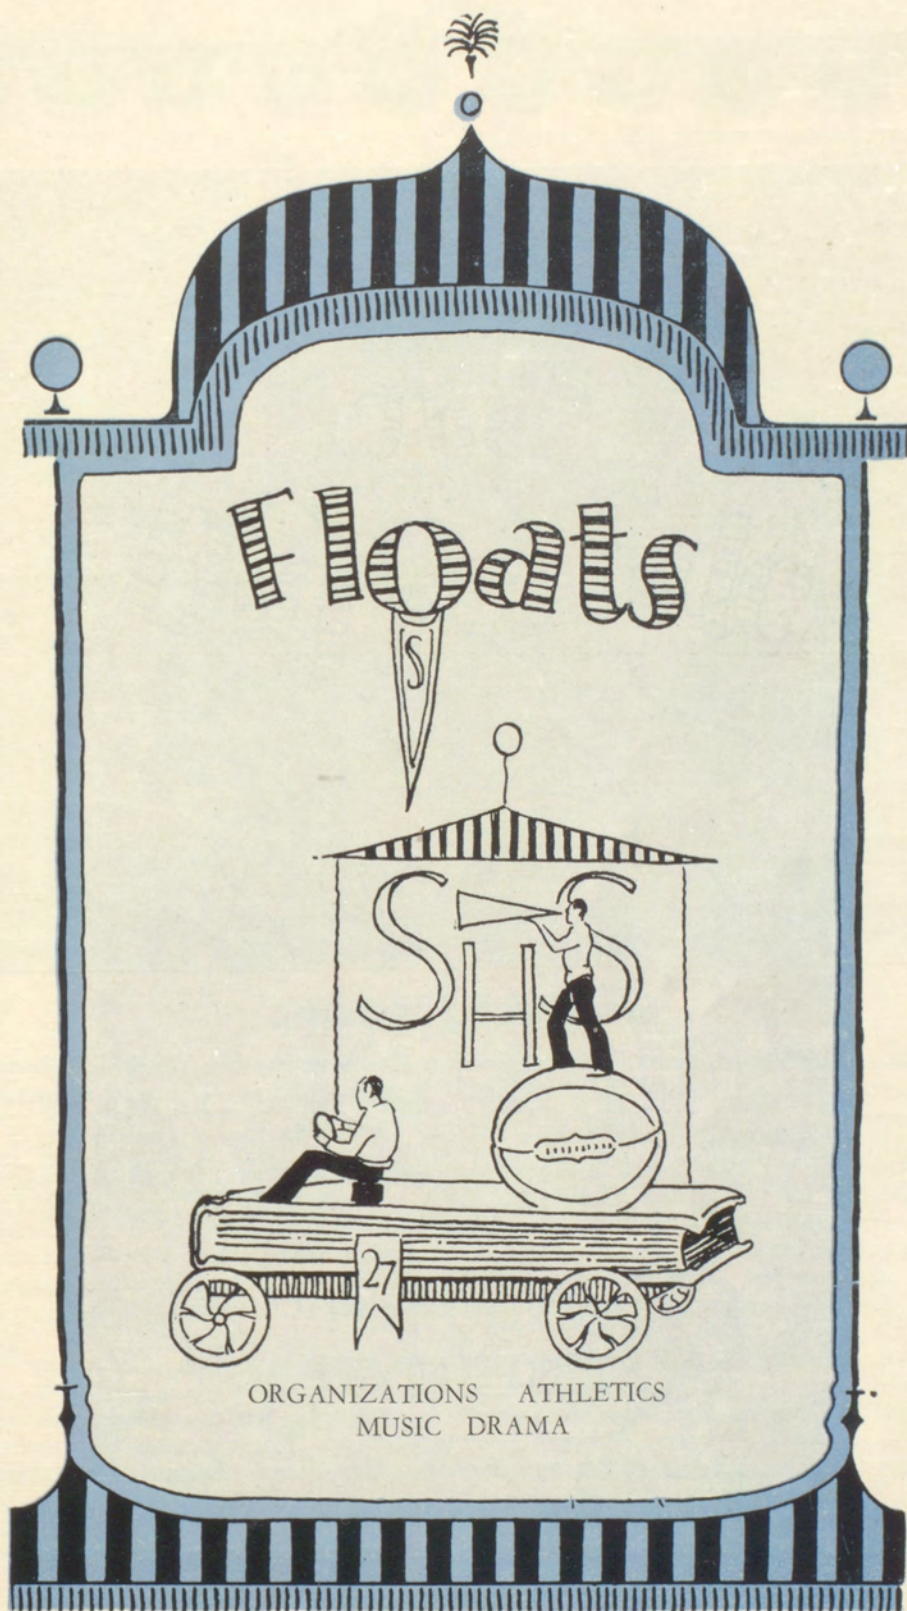

Our class has been well represented in school activities. There were nine freshmen in the orchestra, eight in the glee club, and several out for athletics. Marjorie Dungan, one of our members represented the school in the county music contest in violin. Thad Kinnaman and Floyd Stephens were in the cast of the Girl Reserves Play. Harold Rhodes was the only Freshman boy to make a letter in athletics. However we do not feel that our class has failed in athletics for many boys were out and will make the teams in years to come.

We have kept up to the standards of the school as our class has had as many on the honor roll as any other class in school.

The main social event of the year was a picnic at Bower's Rock, where an enjoyable evening was spent by all.

We resolve to improve our Freshman record in every way, and in the coming years we will strive to be loyal supporters of S.H.S.

CHEER LEADERS

HUBERT MCCRAY, BEATRICE BURCH, MARJORIE COPPLE, SHANNON KINKADE.

Our Cheer Leaders put the pep into the crowds at our football games and helped to give the boys the support that they needed for their all victorious season in football. Due to the lack of a place to play, and to the fact that all basketball games were of necessity away from home, there was not so much pep for basketball as there would have been otherwise.

PEP FOLLIES

This organization was formed in the fall of 1923 when the school was badly in need of more pep and better student support of her athletics. At that time bobbed hair was coming into the popular place that it has today in the styles of the girls, and only bobbed-haired girls were eligible to membership in the organization. The object of the organization was to create pep for athletics, to lead school parades, to sell tickets for various school activities, and to put the necessary pep into things to make them successful. This organization has grown to be a very useful asset to the school and we hope they will continue their usefulness and their good work in years to come.

B L U E & W H I T E

EMMETT FERGUSON, "Jerry" (*Captain*)

He played the tackle position and seldom let a man through his side of the line. This is Jerry's last year.

GEORGE ALLEN, "Jog" (*Coach*)

This was Jog's first year in Sedan, however, he started early, worked hard, and turned out a team to which defeat was unknown.

RANDALL COATS, (*Capt.-elect*) *Fullback*

Randall hit the line low and hard for many a gain during the season. Much is expected of him next year.

HAROLD NELSON, "Nels"

He was a utility man playing either in the backfield or in the line, but fighting wherever he was. Nels is a junior.

HAROLD RHODES, "Chink"

The game was new to Chink, but he put all he had into it and made a real guard. He has three more years.

KENNETH RHODES, *Guard*

Kenneth played this position well and stopped many plays that had to be stopped. Kenneth is a Senior and has played three years.

BILL LEMMON, "Lem", *End*

Bill was first down on punts and seldom missed getting his man. Fast and Mighty, Bill is a Senior this year.

RALPH GLENN "Zeke"

He played quarterback and was always good for a few yards when they were needed. He did the drop kicking for the team. Zeke is a senior.

B L U E & W H I T E

HAROLD FEATHERNGILL "Feather",
Halfback

Feather was hard to catch on end runs and made good gains on passes. He did the punting for the team. Feather is a senior.

LEO SANBORN, "Shiek"

Leo played halfback and was hard to stop on end runs and plunges. He tackled hard and hurt when he hit. This is his last year.

NORMAN LOOMIS, "Bud"

He played center and played it right. This was Bud's first year out, but he played a fine game. He is a senior.

EMMETT PITTS, "Cobb" *Halfback*

He played clean and hard, but was out of the game a great deal on account of an injured shoulder. Cobb is a senior.

BROOKS DICKENS, *End*

He was down on punts fast and always tackled clean and hard. Brooks is a junior and will help make a winning team for Sedan next year.

HORACE DUNGAN, *Guard*

He played the game well and was missed when not in the lineup. Horace is a senior.

WAYNE SANBORN, *Tackle*

He played a good game in the line and when called back to carry the ball he plunged through for good gains. He is a senior.

REVIEW OF THE SEASON

The Sedan High School Football team of '26 was the most successful the school has put out for several years. They played a hard schedule of nine games with opponents numbering among the strongest in this part of the state.

The season started with the football field in such a bad condition that the team had to practice in vacant lots wherever they could find them. The first game with Caney was played on an improvised field in a downpour of rain that made the place look like a lake. Sedan won this game by a score of 6-0. The second game of the season was with Tyro, which ended with a score of 0-0.

About this time our football field was completed and the men and the coach went to work in earnest to produce a winning team, and not a single game was lost.

The most exciting minute of the season was when Ralph "Zeke" Glenn saved the Sedan crowd a long walk home from Elgin with a drop kick just in time to win the game for Sedan.

BASKETBALL

The basketball season started with eight of last year's letter men out for practice. Many others were out in the "old gym" every evening for practice and a fast and and fighting team was soon developed.

The men that received letters with the position they played were as follows:

GIRL RESERVES

The Girl Reserves, a cross section of the fellowship of women and girls of the Young Womens Christian Association, were organized in Sedan High School in 1920 under the leadership of Miss Hattie Bell Maupin.

There has been a great interest shown in the organization and its membership has increased each year. It has sent delegates to the annual Girl Reserves conference. Five delegates and Miss Dennis attended the conference at Coffeyville this year.

Besides many interesting and beneficial meetings of the organization, there have been many "good times" which have been enjoyed by all the girls. The first entertainment of the year was a picnic at the city park. The next social event was a party at the home of Amy Floyd. This party was well attended and a good time was had by all present. The annual Girl Reserves' banquet which was given in honor of the girls' mothers on February the twenty fifth, was a great success and was thoroughly enjoyed by all. The last event of the year was the inauguration of the officers for next year.

The social events and the regular meetings have been the source of much enjoyment and benefit to the members. The success of the organization for the last two years has been achieved under the efficient supervision and leadership of Miss Grace Dennis.

DISTRICT CHAMPIONS IN CLASS "B" DEBATE

The students of Sedan High School have always taken an active interest in debate. During the past few years our teams have done exceptionally well as a result of careful, painstaking work which is so necessary in debate.

The debate question for 1926 was: "Resolved: That the proposed twentieth amendment should be adopted." The members of the affirmative team were, Margaret Loy, Darrel Floyd, and Raymond Hutton. The members of the negative team were Vesta Woodworth, John Foster, and Zella Warren. Principal S. J. Owens was the coach.

Our teams won in a triangular debate with Elk City, Howard and Sedan. They also won a dual debate between Sedan and Cedarvale.

The debate question for 1927 was, "Resolved: That a federal department of education be established with a secretary in the president's cabinet."

The affirmative team was composed of Margaret Loy, Cynthia Dungan, and Zeda Martin. The members of the negative team were Vesta Woodworth, Gladys Windsor, and Nadine Stonecipher. Albin Dahlquist, the coach, combined the study of public speaking with the actual debate work, which made the class much more interesting than it has ever been before.

The Sedan teams won the district championship by winning the triangular debate between Moline, Longton and Sedan. Both teams also participated in an unmatched debate with the Coffeyville teams.

Debate is one of the most instructive courses offered and next year we expect to have even a bigger and better class.
