# We Dedicate—

Our 1960 CHIEF to our newest service, the Guidance Department. Here the student may receive help in better understanding his interests, abilities, personal qualifications, and potentials. With this background information, he may plan his future educational and vocational goals. Here, also, teachers and administrators may find information which will help them understand the student and his individual differences. Mrs. Genevieve Dexter and Mr. Richard Chase, the guidance directors, are available for consultation.

To accept good advice is but to  
increase one's own ability.

---Goethe.
