# We Dedicate————

Our 1962 CHIEF to----

## THE AMERICAN PUBLIC SCHOOL SYSTEM.

Soon I had a room and a teacher. I had some books and crayons. Most wonderful of all, I had a desk, a certain special place that was mine, just like all the other desks. I was equal to anyone else. Outside they could jeer at my clothes and laugh because I lived in a tent. But when I sat at my desk in school, no one could laugh at me. I had found the secret key. I had found the magic place where money and clothes and houses did not count, only ability.

## OUR IJHS CREED

I am aware of the many opportunities existing for me in the Independence Junior High School. As a student, I desire to avail myself of these opportunities and at the same time help perpetuate and add to the splendid traditions and ideals which the school now enjoys.

As a lamp to guide my course, I will keep upper-most in my mind this thought: "Is what I am about to do or say something that every student could do or say without injury to my school?"

During the second quarter, the first group in each grade made A's in all solid subjects; the second group, A's and B's; the third group, B's.
