—THE 1964 CHIEF—

JUNIOR HIGH SCHOOL
INDEPENDENCE, KANSAS

We Dedicate--

I. D. STOCKEBRAND

Our 1964 CHIEF to I. D. Stockebrand, who has taught in the Independence school system sine 1931. His special teaching field has been history and citizenship. He has always had an active interest in sports, having been a coach in former years. The students of the Junior High School are indebted to him for many interesting assembly programs during which he showed his excellent wild-life and travel pictures. Our wish for your future, Mr. Stockebrand, is that you have many years of quick strikes and sharp pictures.

The highest function of the teacher consists not so much in imparting knowledge as in stimulating the pupil in its love and pursuit.

The image features a minimalist, abstract design. It consists of several horizontal lines and rectangular blocks in black and grey. The top section is a large, light-colored area. Below it, a series of black and grey rectangular blocks are arranged in a row, creating a jagged, stepped profile. A thick black horizontal line runs across the middle of the page. Below this line, the word "AUTOGRAPHS" is printed in a bold, black, sans-serif font. Another thick black horizontal line runs across the bottom of the page. Below this line, another series of black and grey rectangular blocks are arranged in a row, mirroring the jagged profile of the top section.
