Junior High School
Independence, Kansas

Dedication

LONNIE N. WOOD

--Superintendent Of Schools

The primary concern of American education today is not the development of the appreciation of the "good life" in young gentlemen born to the purple. Our purpose is to cultivate in the largest possible number of our future citizens an appreciation of both the responsibilities and the benefits which come to them because they are Americans and are free.

OUR SCHOOL SONG
(Tune: Anchors Aweigh)

We are the Junior High, so proud are we
 We are the best there is, to that you will agre-e-e-e.
 Our goal is to the top, we'll do or die;
 And we will reach that goal;
 So Cheer for Junior,

OUR JUNIOR HIGH SCHOOL CREED

I am aware of the many opportunities existing for me in the Independence Junior High School. As a student, I desire to avail myself of these opportunities and at the same time help perpetuate and add to the splendid traditions and ideals which the school now enjoys.

As a lamp to guide my course, I will keep uppermost in my mind this thought: "Is what I am about to do or say something that every student could do or say without injury to my school?"
