MR. CROWLEY

Mr. Michael Crowley, I.J.H.S. principal, had this comment about our school: "I.J.H.S.'s greatest strength lies in its student body. We as educators can recruit the best possible teachers, provide the finest educational programs, and purchase the best teaching tools available. However, all of this would be for naught if it were not for our student body, as they are the group that make any school or educational program great. They are the group who will one day go out and assume the leadership positions that many of us now hold. They will take over our schools, business, and government. With students like these at I.J.H.S., we can rest assured that our future is in good hands.

MR. MANFORD

This was Mr. Gary Manford's first year as vice-principal of I.J.H.S. When asked to describe a typical I.J.H.S. student, Mr. Manford replied: "A typical junior high student is a bundle of energy wanting to go three directions at the same time — lucky for us — they can only go one."

These student assistants worked in the office this year taking care of attendance, errands, and other duties. If you ever need help in the library, one of these ladies is always nearby. Mrs. Dell Roberts is the librarian. Clerks are Mrs. Pat Scott and Mrs. Dixie Coffey.

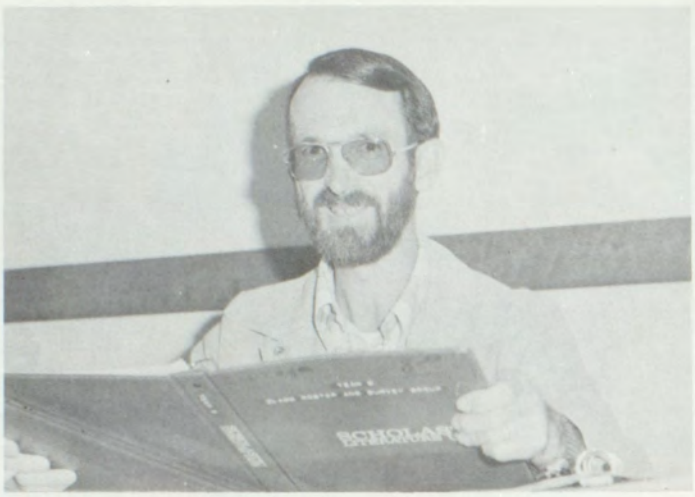
A special attraction this year at the library was a book fair. Paperbacks and posters were on sale and students from all English classes were able to browse and buy. Here students are examining books and posters. The book fair was very successful.

Helping with the duties in the library were these student assistants, sitting on the floor: Michele Marx, Tammy Botts, Kristi Scott; in chairs: Ann Green, Liz Berberick, Teresa Clover; Standing: Roger Leeseburg, Mark Sherwin, David Johnson, Johnny Caldwell, Dean Oliver, Jeff Linden, Keith Triebel, Kevin Hammon.

You can always count on seeing attractive bulletin boards in the library. Here Roger Leeseburg puts the finishing touches on one of the Halloween displays.



This year the counselors put together a new program for the 7th graders. They also enrolled many students of I.J.H.S., organized testing programs, and made the schedule for the students to follow. Pictured above is Mr. Fred Hester.

Miss Jeanne McLeod is the I.J.H.S. counselor. She also worked with the Learning Disabilities Program.

Roger Leeseburg and Pete Baden take a break in the guidance office.

These students were assistants in the guidance office and the assistant principal's office. Pictured from left, bottom, are: Mark Sherwin, Terry Wilson, Steve Smith, John Bally, Pete Baden; 2nd row: Kevin Henry, Monica Fromong, Rhonda Augustine, Michele Marx, Michelle Verge; top row: Nancy Babb, Kristin Janzen, Heather Callison, Angela Worl, Jerri Houston, and Kathy Romig.

The Learning Disabilities teachers tested many students and provided special programs. They are, from left, Mrs. Shirley Lane, L.D. consultant, Miss Lois O'Malley, tutor, and Mrs. Sharon Renolds, paraprofessional.

If you've ever tried cooking for yourself, try it for 700. These ladies do, and do a good job of it, too. At left is Anna Bell Scammey, the "chief chef", and Amy Brooks, cashier.

These two members of the busy I.J.H.S. evening custodial staff are Peggy Norton and Bill Gay.

Rodney Duke, Tom McGuire, and Albert Austin are also I.J.H.S. custodians. Tom McGuire worked during the day and the others in the evening.

Mrs. Mildred Summers, U.D.S. #446 nurse, is busy all the time. She not only is available when sickness or an unfortunate accident occurs, but she also periodically checks the sight and hearing of all the school children in our district.

Activities

FEVER

Student Council Keeps Busy

The I.J.H.S. Student Council is made up of representatives from every advisor base and the officers elected the previous spring. This year's STUCO was extremely active in providing services for all students. Two major projects were a concession stand during Neewollah activities taking place in our gym and the annual magazine sale, which is always a success. Other STUCO projects were a daily candy sale, popcorn at most athletic events, and three all-school parties. Money made by the STUCO is used to improve our school. Taking inventory of STUCO supplies at right are Mrs. Sylvia Byer, Student Council Sponsor, and officers David Harlin, president, Mike Strecker, vice-president, and Mark Boyle, secretary-treasurer.

Jr. Kayettes Serve

The Junior Kayettes, sponsored by Mrs. Hastings, is a club open to any junior girl. A few of the many service projects they completed this year were putting up teachers' bulletin boards, operating a concession stand, collecting canned foods, and donating magazines. This year they received the 3000-Point Award, the highest honor in Junior Kayettes, for the service work they did during the 1978-79 school year under Miss Forbes' leadership. Pictured at right are the board members. From left, bottom: Kristi Scott, Joan Oliver, Margaret Palmer, Jaci Kawulok, Andrea Smading; 2nd row: Anita Rothgeb, Donna McIntosh, Crystal Whittet, Jody LeRoy; 3rd row: Jerri Houston, Patty Hamlin, Jolitta Loomer, Melissa Oliver; top row: Mrs. Hastings.

Artistic Freshmen

Join Art Club

Freshmen interested in artistic talents belong to the Freshmen Art Club, sponsored by Mrs. Louise Woodard. Some of their activities this year were painting business windows for Neewollah, a field trip to Kansas City, and a design for the logo of the school newspaper. Club officers were Jeff Jones, vice-president, Leah Miller, secretary-treasurer, and Jeff Linden, president.

9th Grade Art Club members, bottom row, from left: Tony Whitson, Shawn McReynolds, Denice Posey, Joy Young, John Sayre; 2nd row: Ray Shoaf, Glenda Doub, Tammy Botts, Heather Callison, Jeff Jones, Leah Miller, Tod Graves, Zach Webb, Troy Campbell, Cindy Isom; top row: Andy Wilson, Monica Fromong, Tracy Latham, Brenda Snyder, Jeff Linden, Sam King, Graig Nickel, Kevin Henry, Linda Dixon, Kelly Wedelin, and Eric Lauer.

Mrs. Woodard's Art I class did an interesting project based on ideas originated by Henry Matisse. Using a Halloween theme, the students made small cut-outs, then viewed them on an 8 x 14 foot mural with an opaque projector. Large cut-outs were then made out of brightly-colored construction paper. The end result, seen in the background of this photograph, was very striking.

8th Grade Artists

Work Hard

Mr. Fernetti, the sponsor of the 8th grade art club, has helped the members become familiar with different types of artwork. Three of their activities this year were painting windows uptown for Neewollah, making a cartoon film, and sponsoring a movie in the auditorium for a money-making project. Pictured here with Mr. Fernetti are Pam Rhoades, secretary-treasurer, Shellie Lawrence, vice-president, and Shawn Callison, president.

S.O.S. Club

An important part of the English program at I.J.H.S. is the Developmental Reading Class for all eighth graders.

It is taught by Mrs. Marjorie Utter and lasts for one quarter. Classes are small and students are encouraged to progress at their own speeds. Mrs. Utter's reading class tests one's ability to read for both speed and accuracy. It improves reading skills and teaches better spelling. At left, Lonnie Garman loads a film loop into a machine. Words will be flashed onto the screen written down, then checked for their correctness. Mrs. Utter has found that most students greatly improve their reading skills and also enjoy the special reading program
