SENIORS of TODAY AND YESTERDAY

Back Row: James Denton, Gene Kilgore, Janet Gillen, Audrey McCarty.
Front Row: ReVae Brownlee, Wilma Shearhart, Lois Denny.

CLASS HISTORY

Me, a Senior! Just think, and four years ago I was one of those little insignificant freshmen. In September, 1947, thirteen freshmen entered Wayside High School for an education. We were known as 'green freshmen' by the upper classmen. They were Edward Beyen, ReVae Brownlee, Lois Denny, James Denton, Janet Gillen, Carl Holland, George Honn, Bonita Kincheloe, Donna Kincheloe, Audrey McCarty, Phyllis Ransom, Robert Main, and Wilma Shearhart. To our dismay, school did not appeal to Robert Main so he decided to quit after two weeks. Bonita Kincheloe followed him after the first six-weeks. Carl Holland left to go to Coffeyville High School at the end of the second six-weeks. Edward Beyen quit at the end of the first semester. George Honn quit in March and went to Columbus. Donna Kincheloe quit in the middle of the last semester. Our sponsor was Miss Iva Scoval. The highlight of the year was no initation.

As we entered our second year of high school in 1948, all of the freshman class of the previous year were present. Four new members joined our class. They were Betty Tolbert, from Coffeyville High School, Gene Kilgore from Ellinwood, Bruce Loggan from Havana, and Garry Bowersock from Caney. Highlights of the year was a program for the P.T.A. meeting in which we all participated. We held two parties: one at the home of our sponsor, Miss Iva Scoval and one in which some of us went to the show and others went skating.

All members of our class came back even though one was late. Gene Kilgore came in the third.week. He had began at Ellinwood, but decided Wayside was better. Merle James started here from Coffeyville. To our regret Phyllis Ransom quit. Betty Tolbert, who decided marriage was better than an education, quit at the end of the first semester. We held a Banquet for the Seniors at the Booth Hotel, which was very enjoyable. Our sponsor for our Junior year was Gerald Ransbottom. We received our rings this year and we think they are very nice.

Announcing the Seniors of "1950-51" who have survived the storm for the past three years and have entered the fourth and final chapter of our education at Wayside High School. They are as follows: Garry Bowersock, ReVae Brownlee, Lois Denny, Janet Gillen, Gene Kilgore, Audrey McCarty, and Wilma Shearhart. There were two who thought they couldn't survive so they decided to leave us. To our dismay, Garry Bowersock left us after the first month to go to Caney. But to cover our deep sorrow James Denton came in the next week. Merle James started but decided afterwards to quit. We the 1950-51 seniors believe that we have come through on top. The ones holding an office this year are as follows: President: ReVae Brownlee, Vice-President: Lois Denny, and Secretary-Treasure, Wilma Shearhart. Our sponsor is Supt. T. L. Johnson. The highlights of the year were initiating the Freshmen, the Quiz Program, Junior-Senior Banquet, and last but not least our Skip Day.

Larry Donnelly, a quiet lad of 5' 10" who never lets anyone outjump him in a basketball contest, is somewhat interested in baseball and wants someone to inform the N.Y. Yankees about his ability.

Wayne Crupper, our contribution from Tyro, looms to be the hot sports writer and editor of the Class of '52, before taking over Bill Stern's job of announcing.

Charles Monday the boy who eats, lives, and dreams basketball, who rates high in southeastern Kansas basketball circles, has one more year, which the class of '52 is proud of.

Norman Burkett, the brains of the Junior class has taken a keen interest in drafting. The 1952 class will someday learn that Norman has taken General MacArthur's place.

George Biggs, who was unable to participate in sports activities due to an injury at the first of school, made a very capable assistant to Coach Ransbottom. Our class is looking forward to George's ability in sports next year.

Sylvia Boomershine another of Tyro's students, who thinks Wayside's swell, is quiet and studious and will someday receive the Nobel Prize for her outstanding work as a nurse.

Marie Wiley, another Junior, who knows her way around in the kitchen and can sew as well, will make a wonderful housewife for some lucky man.

Patsy Strope, the shorty of the Junior class is just as capable on the basketball court as in the classroom.

Marcialee Ringle, chum of the Shorty in the Junior class, is always ready at the right time with the answers that rings the bell for the "A's" in her class. In the future Marcialee wants to be a psychologist.

FRESHMAN CLASS HISTORY

Members of the 1950-51 Freshman class of Wayside are Jim Bishop, Gerald Finney, Dale Gillen, Leo Gullick, Kathleen Lessman, Gwendolyn Main, Mardel Johnson, Don Taylor, and John Watson. At the beginning of the second semester Bobby Beyens started here from Caney.

Early in the school term we chose our class officers, flower, colors, and motto. They are:

President: Mardel Johnson
Vice-President: Dale Gillen
Secretary: Gerald Finney
Treasurer: Jim Bishop
Class Flower: White Carnation
Class Colors: Red and White
Motto: "Work like you play
Success will come your way."
Sponsor: Mrs. Scovell.

We were thoroughly initiated by the Seniors. On our first day of initiation the girls had to dress as boys. Besides this we had to wear one-half of our hair in pigtails and the other half in pin curls. The boys had to dress completely as girls. Everytime we saw a Senior we had to bow and say their name. We also had to carry their plates back from the dinner table and walk upstairs backwards.

On the second day of our initiation we had to wear all of our clothes backwards. Besides this the Freshman girls had to wear all the jewerly they had and the boys all the neckties they had. When we saw a Senior we had to bow and say "Beat Elk Falls" because we had a baseball game against Elk Falls the next day.

Our third and final day of initiation finally arrived. Today we had to wear straw hats and carry a gunny sack. Whenever we saw a Senior we had to jump into the gunny sack and take ten steps. That night the Seniors treated the entire highschool to a hayrack ride and weiner roast at Clark's Buffalo Ranch.

The Freshman class helped with the all-school carnival. Several of us went soliciting with the Juniors and Seniors. Our candidates for the Carnival King and Queen were Mardel Johnson and Dale Gillen.

The majority of our class took an active part in softball, baseball, and basketball.

The Freshman class was represented in the Student Council by Dale Gillen, who is Vice-President of the council.

GIRLS BASKETBALL

Results

The 1950-51 Highschool Girls' Basketball team was a very successful one. With eleven girls reporting for basketball the first of November, Mr. Johnson's first job was to build a scoring combination to replace Wayside's high scorer, Alene Denny, who graduated the previous year.

With two short fast girls and one tall one, the following combination proved to roll over our opponents; ReVae Brownlee, Marcialee Ringle, and Patsy Strope as the first string forwards with Shirley Mull, Kathy Lessman and Mardel Johnson as valuable replacements.

Lois Denny, a seasoned player was the girl that was assigned the difficult job of guarding the opponents' hot shots. Capable assistance was given by Beulah James, Donna Kincheloe, Mary Jane Wiley and Mona Johnson in the defensive positions.

The Wann girls really showed us how to play basketball but we proved our worth by taking two games from both Caney and Oswego. Our first game with Havana was lost by a small margin but we won the next two games from them. This leaves a season record of eight victories and three defeats.

Our season's schedule was as follows:

Wayside	58	Lafontaine	6	Home
Wayside	36	Caney	28	Home
Wayside	34	Havana	38	There
Wayside	46	Copan	33	Home

Games won--Eight.
Games lost--Three.

The results of these games show we made a totle of 397 points and allowed our opponents only 339.

HIGHSCHOOL'S BOYS BASKETBALL

The Wayside Panthers came through the 1950-51 basketball season with an outstanding record. Beginning the season with Lafontaine and ending with Peru, the team breezed through fourteen opponents to end the regular season undefeated. Because of bad weather conditions two of the scheduled games had to be postponed.

Using his heigth to good advantage, Gene Kilgore, center, soon found himself high-scorer for his team and also high-scorer in Southeastern Kansas Highschools.

The sharp-eyes and quickness of Charles Monday was a great help for the team as they breezed through their various opponents.

Larry Donnelly, who probably got more rebounds than any other player his size in the district, and Gene Kilgore were chosen as co-captains for the Panther team.

Jim Denton, who played left-guard for the classy Panther team, did his share to keep the opponents score down.

Marvin Dunham, who made up for his shortness by his ability to handle the ball, completed the five-man first team that cruised into the district tournament unbeaten.

The Panthers started the District Tournament, held at Sedan, with an easy victory over the Peru Trojans by the score of 59 to 13. The next victim in the Tournament to feel the Panthers' claws were the Moline Hornets. The Wayside team, which played one of its best games of the season, defeated Moline 64 to 34. Wayside was now in the finals against the Elk Falls Wildcats, whom the Panthers had defeated twice in seasonal play to win the Big Four championship. Elk Falls, however, put on a very strong defensive battle and stopped the Panthers at sixteen straight games by a score of 31 to 29.

Our stay at the Regional Tournament was short. The first night of the tournament, held at Eureka, we met Cedarvale. BOOM! Again lightning struck and the Panthers had their second defeat by a score of 51 to 24. This ended our basketball season of 1950-51.

The season's schedule was a follows:

Wayside	68	Lafontaine	19	Home
Wayside	84	Peru	26	Away
Wayside	48	Longton	29	Home
Wayside	52	Havana	17	Away

THE STUDENT COUNCIL

President--Gene Kilgore
Vice-President--Dale Gillen
Secretary--Shirley Mull
Treasurer--Norman Burkett

One of the projects of the 1950-51 year was the formation of a student council. Gene Kilgore, Senior; Norman Burkett, Junior; Shirley Mull, Sophomore; and Dale Gillen, Freshman, were the students chosen from their respective classes to be the officers of the student council. The purpose of the student council is to show a better understanding between the students and the teachers and,also, to teach the students to be self-governing.

A constitution, forming the laws and by-laws of the school, was started and will be completed during the summer. This constitution will then be voted on by the students of 1951-52, the first week in September. If the constitution is accepted it will go into effect immediately.

The four officers of the student council attended the student council meeting held in Neodesha.

When the picture of the student council was taken,Norman Burkett was absent, so the Juniors chose Larry Donnelly to represent them in the picture.
