The FOREWORD

Protected by the Stars and Stripes, and inspired by these beautiful local surroundings, your school spirit should always be as high and noble as your spirit of patriotism for your country. Keep faith with your country, your community, and your God; and use this book to remember old I. H. S. always.

THE "JACK AND STRIPES" USED BY WASHINGTON IN 1776

DEDICATION

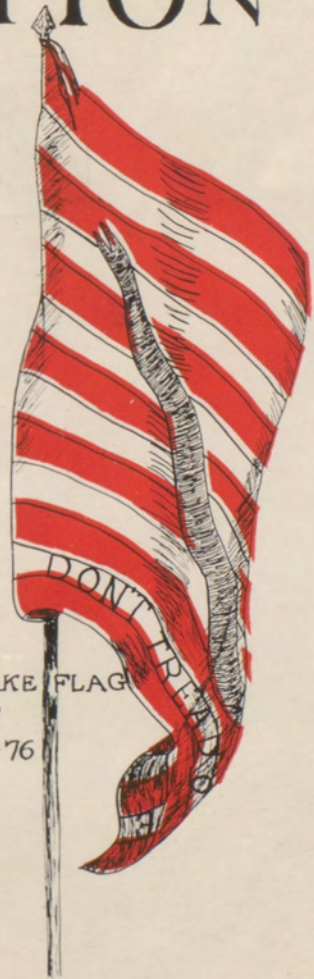

To the flag of the United States, symbol of our great country in peace and in war. May its virtues of loyalty, purity, and sacrifice ever remain before us.

It's only a small bit of bunting,

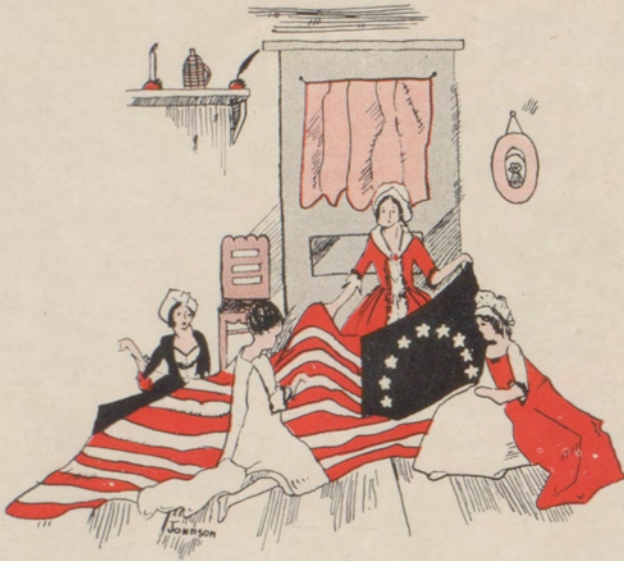

It's only an old colored rag,

Yet thousands have died for its honor

And shed their best blood for the flag.

ADMINISTRATION

"No chain is stronger than its weakest link." The ranking of a school is no higher than the ideals of its administrators. We are, indeed, proud of our ranking; and to complete the analogy, we are equally proud of the high type of our administrators.

To the Senior Class of 1929

What becomes of the army of young men and young women who are graduated from our public schools each year? This is a question over which I have pondered at each commencement season for a number of years. I like to think, however, that these young men and young women become the most substantial citizens that our country possesses, and I believe that this is true.

The class of 1929 of the Independence city high school is to be congratulated for your accomplishments and achievements thus far in your educational endeavor and preparation. It is tremendously in your favor to have manifested sufficient energy, industry, application, and ambition to have completed this round of the educational ladder. This achievement in itself is an important index of your character. Your continued persistence will surely win.

It is a very trite statement to say that "The boys and girls of today will be men and women of tomorrow." However, the saying is so true that it will justify repeating at least every graduation time. If education can be justified at all it must be largely upon the basis of a better and greater citizenship in its broadest sense. The good citizen is sought after in private as well as in public life everywhere. The level of intelligence and the ideals of citizenship in the community, the state, and the nation are dependent almost wholly upon the educative process, both in and out of the schools. May you as a class continue your preparation for real service in order to become efficient citizens in this great country in which we live.

Sincerely,

J. H. CLEMENT, Superintendent.

Greetings to the Students of the High School

It is fitting that I should take this way of expressing to you my appreciation for the fine way in which you have helped to make this a very successful school year.

The success of any school year is to be measured by the way in which you react to the problems of your everyday life. If you learn to meet your tasks cheerfully and to conquer them, if you learn to think fine thoughts and thus raise your ideal, if you learn to live happily in a community and to take your responsibility to see that it is a good place to live in, then the school will be considered as meeting the demands placed upon it.

The purpose of the school is to help you make the most of your possibilities. If each one of you does not use it to the best advantage, you are not being fair to yourself.

This year will soon be closed. Some of you will leave high school because of graduation; others because you may not see the real value of school work; the greatest number will again return to school when the new year opens. Where-ever you are, may you have learned this year, in some measure, to love truth, to live honestly, and to work diligently. The world seeks more earnestly than ever for young men and women with these qualities. I have faith in you, that you will meet these demands.

Sincerely,

E. R. STEVENS, Principal.

To the Senior Class of 1929

The Board of Education extends congratulations and good wishes to each and every one of you for your efforts in completing the course required in our high school, in a satisfactory way.

The board, as well as your parents and friends, look forward to your future success in life, which depends upon individual effort as you take your place in the business world. We urge you to hold fast to the ideals you have been taught from day to day in our school system.

If you will hold fast to these ideals, your success in life is assured, and the result of your efforts will not only be a credit to yourselves, but will also be a source of satisfaction to those who have made your education possible.

Ever be true and faithful to the principles of right living in your own life, holding them to as high a plane as you now do the flag of your country.

With the best wishes for your success in the future, I am,

Sincerely yours,

B. H. WOODMAN, President.
Board of Education.

The CLASSES

First in line are the "High and Mighty Seniors", next the loyal Juniors, then the wise Sophomores, followed by the section devoted to the Junior High School. These are the class divisions that make up the most loyal student body of a great school of secondary education.

Senior Class History

In looking over the dials of time, we look back and find that the senior class of 1929 is the first graduating class that started in the seventh grade in the junior high school and went through the entire routine of both high schools.

During our four years of learning, our class participated in all the events of the school. Most of our freshman and sophomore years were spent in getting acquainted with the active side of school life, and by the time our junior year rolled around, we were ready to "do things in a big way." We put on the Junior Follies in such a manner that it will long be remembered as one of the best in the history of the school. The Junior-Senior Banquet, after much hard work, was also a tremendous success. Our senior year has truly been an enjoyable one, and we had members of the class on almost every team that represented the school. The senior picnic closed the year for the seniors in a grand fashion.

Without the many forms of recreation provided by the school, the work might have been arduous, but the pleasure and benefit derived from these made the hours and days pass swiftly, and almost before we could realize it, we had attained the rank of envy, that of the "High and Mighty Seniors." A few of those who started dropped by the side of the road, but the body as a whole moved on to form the dignified group of 1929.

Many things have contributed to the success of our class, such as: the splendid facilities offered by the school; the cooperation between teacher and pupil; and the friendly class spirit which has prevailed during the entire four years. We do not feel that we have reached the summit, but rather we are on the threshold of knowledge, and opportunity is beckoning to us in the shape of the junior college, and is bidding us enter.

We do not consider ourselves entirely responsible for our wonderful attainments in knowledge, athletics, music, and all other branches of school life. The teachers and sponsors who guided and expanded our channels of thought deserve a vast amount of credit. Without their aid, no such class could have developed and existed, and no such achievements could have been attained.

The senior class of 1929, as they look back over this period of work, feel duly proud of their record and have striven hard to educate the underclassmen to their routine so that the class standard will ever remain high.

—Gerald Speer.

Class Will and Testament

We, the class of '29, feeling as never before the uncertainties of life, being low in health and advanced in years, do make and publish this, our last will and testament, revoking and making void all previous wills and testaments either made by our hand or by other senior classes.

Part A—General Provisions

1. The payment of our debts in kind.
2. To the poor but honest junior class, we do give and bequeath, (in appreciation of their dog-like devotion) our coat of dignity and our ability to lead inferior students in the paths of righteousness. This coat of dignity should be cherished as a dearest possession, as it is the true hallmark of a senior and one of the great differences between the common-place juniors and the exalted seniors.
3. To our dear friend, Class of '31, we leave one box of well-used clothespins with nasal attachment, to be used in the chemistry lab. Also, to this worthy group, we leave a clear title to all gum found under chairs and desks of I. H. S.

Part B—To the Faculty We Give As Below Directed:

1. To Mr. E. R. Stevens, one book of "How to Suppress Intelligence in the Junior College."
2. To Mr. Clement, the girls leave the excess hair from their boyish bobs.
3. To Mr. S. A. Maust, one 'specially made telescope reaching from room 507 to Erhart's store. This is to aid Mr. Maust in his many searches for loafers and shirkers, we hope it will save him many steps.
4. To Mr. Castillo, a very extensive "bug museum," to be used as an economical device. (It will save gasoline in that he will no longer have to find cars to carry the students to the river to hunt grasshoppers).
5. To the entire faculty, all the amazing knowledge and startling information we have furnished them from time to time in our examination papers. We realize that much we have imparted to them in this way must have been entirely new to them, and if the faculty sees fit, this material can be bound and flooded on the brains of the world.

Part C—Personal Bequests

1. To the football team of next year, Chester Welch's and Elmer Hatfield's ability of plunging through.
2. To Barton Blakeslee and James Callahan, Gerald Speer and Vernon Peden leave their skill as "heavy sheiks."
3. To Mr. Kirby, one pair of rubber shoes, to be used in detective work.
4. Jeanne Seymour wishes to bestow upon Virginia Inscho her gift of "gab."
5. To any sophomore who wishes them, Mr. Brown's troubles.
6. To Beth Keller, Lola Stewart's voice. Beth needs it for "Music hath charms to sooth the savage beast."
7. To Dorothy Knock, Lawrence Wilson's library, consisting of two volumes slightly used, "Foolish Flurries," and "Komical Kutups."
8. Cleo McConnell leaves \$3.27 as a scholarship for our faculty, to be used in furthering their course in "higher grading."
9. Elinor Wingfield leaves her gift of bluff to Fred Sheldon. Tiny realizes that Fred doesn't need it but feels that if it is to be used to good advantage, Fred is the only one with whom she can safely leave it.
10. John Brown leaves his dramatic ability to Billy Inge, Bill shows possibilities of becoming the next clown.

The Junior-Senior Banquet

Surpassing all previous ones, the Junior-Senior Banquet of 1929 set a new mark in beauty, entertainment, and cordiality.

The banquet was held in the dining room of the Memorial Hall. The decorations were of a daring modernistic motif. Triangles, squares, and circles of brilliant colors transformed the large room into a fantastic riot of color. Since color was the keynote, the lights were multi-colored. Nor was the entertainment lacking in color. Frank Dancer and his "Royal Aces" played throughout the banquet, and various divertissements furnished the amusement.

The banquet made an impression upon the class of 1929 that will take many years to erase.

—Jack Raglin.

The Junior Follies

The Junior Follies, or the "Revels" as they were known this year were acclaimed by many as the best yet produced. After many changes in dates, the Revels were given on Friday, April 12. A packed house was the reward for the untiring efforts of the junior class.

The Revels were divided into four parts. First, a jazz fantasy with a modernistic black and white setting. This act introduced Beth Keller and Bill Inge, comedians; Several choruses; and a screaming dance, "The Bowery Breakdown."

Second, a miniature musical comedy with its setting in an artist's studio in Paris. Eunice Kerr and Gene Postlewaite were featured. The various colors were emphasized by choruses, solos, and trios. The scene ended with a beautiful rainbow finale.

Third, a one-act play, "Rooms to Let." This clever comedy with a college background abounded in amusing situations, due to mixed identity.

Fourth, "Arctic Antics," a frolic with a frigid background. This act introduced: "Two Bleeding Hearts," a burlesque melodrama, skaters chorus, racoon chorus, and "Button Up Your Overcoat" finale.

Those who helped to make the Revels a success are the following: Miss Ruth Holton, class sponsor; Miss Marian Martin, class sponsor and supervisor of art work and costuming; Miss Zella Spradling, dancing instructor; Miss Irene Reid, vocal instructor; Miss Anna Ingleman, dramatic coach. Also the student executive committee, composed of Marguerite Dubbels, Ida Rae Spradling, Bill Inge, Fred Sheldon, and Jack Raglin, helped to make the Revels a success.

The music was furnished by the junior class orchestra under the direction of Robert Slater.

Sophomore Class History

In the Sophomore Class of '29 there are 191 members; making it not quite so large as the preceding class; but we are sure it is every bit as good. We are indeed proud of our sponsors, who are Miss Irene Murphy and Miss Madge Wardell. They are both new teachers this year but have already become very popular with the student body. The class officers are: President, John Clement; Vice-President, Leona Salisbury; Treasurer, Peg Burns; Secretary, Lois Smith; and Chapel Representative, Howard Hudiburg.

The scholarship contest last year proved that this class is up-to-date in its school work. Elizabeth Shultz placed first in English at Pittsburgh and second at Emporia, Warren DeLapp placed first in English at Emporia, and Walter Linville placed first in Latin at Emporia last year. After the results last year we are sure we shall always continue to "bring home the bacon". We must not forget to mention that the class has taken an active interest in the school activities, as well as athletics, and in our years to come we are sure that we shall not be surpassed by either our predecessors or our successors.

—Leona Salisbury.

Junior High Girl Reserves

"Everywhere, always, in sunshine, in shadow, in joy, in disappointment, in success, in defeat,—we, the Girl Reserves of America, follow the Gleam. If once we fall, we rise to face the light; if once we fail, we fight again to win; we cannot be lonely—we stand together. From North to farthest West, ours is the surest Quest. We know the One we follow." This is the Quest of the Girl Reserves, and our purpose is to find and give the best.

The Girl Reserves organization is one of the most worthy organizations of the school and has a large membership.

There are two groups with a total membership of one hundred and seventy-five. The Blue Star is sponsored by Miss Wahl and Miss Aubuchon; the Blue Triangle, by Miss McCune and Miss Crocker.

The picture above shows the officers and committees of both groups. The main officers of the two groups are: Blue Star—President, Margaret Arnett; Vice-President, Lestie Sparks; Secretary, Veda Tarman; Treasurer, Marie Buster. Blue Triangle—President, Janice Street; Vice-President, Harriett Scranton; Secretary, Velma Stewart; Treasurer, Virginia Knock.

The Junior Hi-Y

This organization, under the leadership of Mr. Heckethorn, has had a very successful year of work. They helped to put over the Father and Son banquet, which was a great success.

The membership of the Hi-Y at present is thirty-five. The officers are: President, William Shepard; Vice-President, Russell McNutt; Secretary, Allen Porter; Treasurer, James Graves. These boys, with the help of Mr. Heckethorn and other members of the Hi-Y, have made this club into a better organization for future members.

Delegates were sent by the Hi-Y to Iola for the annual conference held there. These conferences help the club immensely, not only individually but as a whole. The Inner Circle meetings, held twice a week, have also helped to put many of the boys on the right road of becoming upright citizens.

The greatest and highest achievement, or the motto of the Hi-Y is: to create, maintain, and extend through out our school and community high standards of Christian character. It is for this that the club was organized and created. It is for this that the boys have enrolled into this activity, and they will, no doubt, make life more happy, more spiritual for themselves, and will get finer ideas out of life than they would otherwise.

History of Junior High Pep Club

Webster fails to define or recognize the word PEP—perhaps he lacked it. Today we link the expression with punch, vim, enthusiasm, and what not, but where did it originate? The PEP you display may be PER your feelings and the combination spells pep-per. Pep is for hot, per is for individual, and the Pep Club is a hot bunch of individuals; but going further may we add BOX? Pep-per-box; it stands for sprinkler. Now we are coming to it. Each is a sprinkle of PEP so hot it catches fire, and everyone in turn gets the enthusiasm, punch, and vim which spells the purpose of the Pep Club. In the month of October, 1928, the Pep Club organization was formed with Miss Hughes sponsor and a membership of twenty-four enthusiastic girls chosen by the officers of the Girls' Athletic Association, the selections being based on individual popularity and personal conduct.

The purpose of the Pep Club is to assist and encourage all junior high activities to which certain honors are rightfully due for their achievements.

On October 18, the club members held a Get-together Meeting at Camp Kiwanis. After a delightful supper, a business session was held, resulting in the election of Ruby Mills as President and Grace Kors, Secretary-Treasurer. At this meeting the Bull Pup was adopted as the club mascot and so it is you see the orange rascal emblazoned on the white sweat-jersey chosen by the club as its uniform. Later "try outs" were held for the purpose of selecting cheer leaders, and this honor was given to Audra Lou Hamlin and Margaret Gray, Russel Baker being chosen the boys' representative.

The Junior Pep Club has always been very active and has taken part in many activities such as selling tickets for both Senior and Junior activities.

JUNIOR HIGH BASKETBALL TEAM

Top Row, Left to Right: Rogers, McBrayer, Deere, Oswald, Emerson, Rees (C).
Bottom Row: Blade, Barker Coach Lewis, Reames, Phipps (Capt-elect).

Junior High Basketball

The 1928-29 season was only the second for the Junior High basketball team. Under the direction of Coach Phil Lewis, only four of the fourteen regularly scheduled games were lost. The Bull Pups piled up 295 points to their opponents' 225 and finished the regular season with eight straight victories.

Bothered by sickness, the Bull Pups dropped four early contests after winning the first two games. Three of these losses were by two, three, and four points.

A hard-fought victory at Humboldt started the Bull Pups winning again. Decisive victories over Neodesha, Cherryvale, Humboldt again, and Iola followed.

After a close win at Cherryvale and a greater margin of victory over Neodesha, the stage was set for the finale. The Bull Pups closed their home season with a thrilling victory over Fredonia by scoring eleven points in the final quarter, after shots had refused to drop in the basket in the earlier periods.

Playing in the Pittsburg tournament the same week-end as the Fredonia encounter, the team showed effects of the hard game and trip. It won its first game, but was eliminated in the semi-finals.

Captain Paul Rees and Bill Emerson were outstanding defensively and also scored well from the guard positions. John Deere was the leading scorer with 135 points. These with Don Reaves are lost through graduation.

Captain elect Charlie Phipps, Charles Oswald, Francis Blade, Paul Rogers, Ralph Barker, and Watt McBrayer are lettrmen eligible for next year.

The second team won four of seven games played. Cannady, Hille, Goodell, Bob Emerson, Knight, and Tribble were awarded Reserve letters.

Facing It

Franklin Atkinson had been told that he must always wait patiently until he was served at meals, and not cry or grab across the table for food. One day while dining at Jack Knight's with his mother, Franklin was accidentally overlooked. He was very patient for a time, but at last he could bear the strain no longer, seeing everybody feeding but himself. So, leaning quietly across to his mother he said in a loud whisper, "Mother, do boys who starve to death go to heaven?"

A TYPICAL DEE DEE PLAY-REHEARSAL

7:00 P. M.—Persons present: Miss Anna and faithful Doopy with his little "lizzie."

Miss Anna: "Where is everybody? On time to rehearsals—that's my motto. No wonder we can't get anything done when no one comes."

7:30 P. M.—All the cast have struggled in at last.

Miss Anna: "Sit! Don't waste a minute's time—time's valuable."

Finally, Miss Anna very agitatedly exclaims; "Boys, why don't you set the stage for the third act? My gracious, we won't get home before midnight!"

A wee, small voice somewhere in the auditorium: "Miss Anna, you said to set the stage for the first act when we came, and we did."

Miss Anna: "That doesn't make a bit of difference. Do as I tell you and don't argue!"

Then silence ensues for about a minute and practice begins.

Miss Anna: "Where are your play-books? You don't even know your lines. How do you expect to give a play if you don't know your words?"

Again, the clamor becomes so loud that no one can hear himself think. Finally, to subdue them, a voice rises above the din which is very familiar to all students in the Dee Dee Club: "If you're not going to work, get out!!! I am not going to waste my time here when you keep acting like hoodlums. One more disturbance and we'll leave! This play can stand no foolishness. It means work. I'll never give another play—I don't see why I ever attempted this one. Why don't you try to be a help instead of a hindrance? Remember the four C's! I'll expect you all to have a talk tomorrow on the four C's. They're very essential in dramatics, and life, too!"

A few more words come forth and then all is over—

Miss Anna ends this dramatic and pathetic little scene by saying: "I never saw a worse rehearsal in all my life! We've just wasted the whole evening. I'm going to give you all zeros if you don't work harder. This will surely be the last play; and I'll never give another one. Now go home and hurry and get out—turn out all the lights."

The curfew rings and the curtain falls. A weary troop of actors file out the door and trudge homeward.

Such were the rehearsals for: "The Three Graces," "Sue 'em," "Four-Way Junction," "Graustark," and the Senior play.

DEBATE

 Bottom Row: Callahan, Sloan, Mr. Jacoby, Salathiel.

Debate

This year's debate season found an entirely new group of debaters being instructed by a new coach, F. N. Jacoby, who moulded a team which won many glorious victories for I. H. S. In November this untried group went to the tournament at Pittsburg, where they made a fine showing by going to the semi-finals. Then in January the team went to the tournament at Lawrence, where they satisfied their ambition by winning first place and a large cup. Betty Sloan won a gold medal for being the best individual speaker, and Ida McGarvey won a silver medal for ranking third.

In a week's time the Verdigris Valley and Southeast Kansas League debates started, and by the end of the season I. H. S. had won first place in the S. E. K., and second in the Valley. On into the district tournament they plunged, with hearts set on winning; but, as someone must always lose, it was the I. H. S. teams this time, so they slipped back to second place.

The personnel of the debate team included five students. The affirmative team was composed of Ida McGarvey and Myrna Mae Clemmons, with Ben Salathiel as alternate and "official timekeeper". The negative team was composed of Betty Sloan and Jimmy Callahan. Both teams spent many hours of hard labor to make a success of their first year of debating for their coach, their school, and themselves. Much credit is due Mr. Jacoby, who spent many restless nights planning "hole-proof" arguments. Every debater will tell you that Mr. Jacoby furnished the brains, and that they were merely the channels through which his ideas were expressed.

The team next year will need two new members, because Betty Sloan and Myrna Mae Clemmons will be graduated this year. The debaters were very happy over the fine showing they made this year and wish worlds of luck and success to whoever takes up the work in 1930.

Public Library

"What are you doing tonight?" asks one student of another. "I'm going to the library to get a theme," is the answer. Really, no one except students realize how very much the public library means to the students and the school as a whole.

The librarians are led a merry chase during the school months, hunting references, checking out books, and above all, keeping the students quiet. There is no doubt but that the students would be lost without the never-failing help of the librarians, and the extensive list of reference books.

Now while we are praising the librarians, let us not forget to include the head-librarian, Miss Gemmell, who spends hours in finding any amount of material a student might wish. No one can deny that under the direction of Miss Gemmell, the library will always respond to the needs of the students as often as necessary; and it is needless to say that this intense interest which she shows is greatly appreciated by every one.

It is not only the student body in general which appreciates Miss Gemmell's help, but one group that has reason to value her efforts above all else is the debate team. Miss Gemmell showed more interest than any one else, except the debaters and Coach F. N. Jacoby, always placing her facilities at their disposal. Coach Jacoby has expressed his gratitude and appreciation of her effort many times.

I. H. S. is only one of a great many schools which has access to this fine library, and the help of Miss Gemmell, because the debate teams of smaller neighboring towns get most of their debate material from this source.

DAUBERS CLUB

Daubers Club

This club, although it was first started in 1928, did not become active until this year. Before, our work had included only appreciation and a study of the phases of art, but this year we decided to take up craft work.

Of course the club has been organized like any other, the officers being: President, Thelma Barani; Secretary-treasurer, Loren Lucas; and our sponsor, Miss Martin. We have our meetings every other Thursday during activity period, this hour being spent on our project chosen as the term's work.

This year we selected as our project a wall-hanging which illustrates the activities of the high school. Each member was given two subjects to design. These were put on the hanging and done in crayolas. This is to be left in the art room.

Last spring the club brought the Colonial Art Exhibit to Independence and with the proceeds gained from this they purchased reproductions of ten famous paintings for the school. This year Mr. Friley and the boys in his manual training classes made the frames for these pictures. They are to be hung in the halls of both buildings.

We also brought an exhibit from Kansas University which consisted chiefly of textile and rug designs and oil paintings. Both of these exhibits were appreciated by the school and also the public, and were well attended. We are hoping that the club will grow larger and do more each year.

 Middle Row: Payton, McAnulty, Barr, Altaffer, Strain, Welch, Renner, Salathiel, Knock, Wills.
 Bottom Row: Taylor, Radcliffe, O'Brien, Rolland, Hasselmann, Hiatt, Scott, Spradling.

Le Cercle Francais

This year for the first time a French Club has been organized in the Independence high school, with Miss Wardell, language teacher, as sponsor. The name chosen for this society was "Le Cercle Francais," which means "The French Circle."

The purpose of this French club is to encourage the speaking, reading, and writing of French. All the meetings are conducted in French; reports of famous places in France, and plays written in French are given. Girls and boys in France were secured as correspondents and thus the customs, the views, and the literature of France have become more familiar to the members of "Le Cercle Francais."

In order to distinguish themselves from the students who do not belong to this organization, the members chose as their emblem pins on which are a miniature Eiffel Tower, the name "Le Cercle Francais," and initials I. H. S. meaning Independence high school.

The officers of "Le Cercle Francais" this year are: Sponsor, Miss Wardell; President, Sally Salathiel; Vice-President, Jack Raglin; Secretary, Winifred Scott; Treasurer, Maurine Strain; Historian, Nettie Jane O'Brien.

—Sally Salathiel.

Senior High Girl Reserve

The Girl Reserves have been an out-standing organization during the past year, due to the able leadership of the sponsors, Misses Wardell, Gray, Vermillion, and Murphy.

"The Home Beautiful" was the theme of the Girl Reserve meetings. These meetings were held every two weeks and proved to be very interesting.

The Girl Reserves, with the Hi-Y, furnished the "nourishment" for the football fans.

At Christmas the girls gave individual gifts to the children of the Mexican settlement.

The Girl Reserves, with the help of the local Y. W. C. A., sent twelve delegates to the district conference at Pittsburg, who brought back many helpful ideas.

A great deal of credit is due to the Cabinet, who have carried out their work well.

The club helped with the annual Mother-Daughter banquet, sponsored by the Y. W. C. A. The banquet was a complete success.

It is the plan of the organization to send several delegates to Hollister, Missouri, this summer instead of the few delegates to Estes Park.

Senior Hi-Y

With our book-exchange functioning, this year's club lacked only new ideas in getting off to a flying start. But these were easily found.

The first, salesmanship, selling pencils with the football schedule stamped upon them, kept each member busy among the student body and school boosters, as many of you, who were confronted by friendly faces and asked to chip in, well know.

Thanksgiving and Christmas being near, the club presented gift baskets, containing both food and toys, to the needy.

Our "Father and Son" banquet was somewhat limited in attendance owing to a false alarm over the prospects of an influenza epidemic, but our "Mother and Son" banquet, which was confined to club members and their mothers, resulted in an unprecedented success; shown by the hundred per cent in attendance.

Our contributions toward the improvement of the athletic department this year included a basketball gong, a score board, and individual scorecards, which were distributed at the door.

Hi-Y boys were ever present at school functions selling "sweets to the sweet, and pickles to the sour."

Only once were the Hi-Y basketballers put to flight in a successful court season, although encountering several strong teams of smaller towns.

Most of the boys of our organization have attended a District Conference or Pep Rally, bringing back reports of interesting and instructive programs.

Weekly club sessions, inner circle, picnics, hikes, and socials have all served to illustrate our motto: "To create, maintain, and extend a high standard of christian living among students and associates."

How were thirteen seniors, with limited experience in the field of journalism, to put out an annual that would surpass those of previous years? Such was the question that confronted the annual staff at the beginning of the year 1929. However, "where there's a will there's a way", and the staff set to work immediately and energetically. Manuscript in the form of jokes, athletic write-ups, class histories, organization stories, etc., began to pour in like a tidal wave. Organizations were kept busy having their pictures taken, as were individual students. The joke editors were faithful and punctual in their work, and the joke section was soon completed.

Meanwhile, the sale and circulation had been taken care of in a most efficient manner, insuring sufficient financial support.

The kodak editors deserve much praise for their clever kodak pages. The staff here wishes to express its hearty appreciation to Mr. Brown for his invaluable assistance with the kodak pages and with the two "Student" pages.

Some stories, of course, could not be secured until late; but after they had come in and had been printed at the last minute and when the worrying about them was all over, it was discovered that such incidents only add zest to the strain of publishing an annual.

But, you ask, how was this copy set up in type and printed? Who saw that the book was assembled in the right order, completed, and ready for distribution on time? After all, no matter how hard the engine pulls, or how smoothly the cars run, there must be an engineer to guide the train or it will avoid a wreck only by a miracle. The "man behind the controls" in this case was Mr. Reppert. Nearly every Saturday morning saw him in the printing room working overtime on this edition of the Orange and Black. Words are futile to express the debt of gratitude owed to Mr. Reppert by the staff for his untiring and generous efforts to make this volume a success.

To Miss Stewart, Miss De Lury, Miss Martin, and Miss Lake, much thanks is also due—to Miss Stewart for her management of the typing of a large percent of the manuscript; to Miss De Lury for her handling of all Junior High material; to Miss Martin for her supervision of the art and design work in this annual; and to Miss Lake for her interest and cooperation in securing the activities of the seniors.

The old adage of "united we stand; divided we fall" is nowhere given a more acid test than on the annual staff. In this case, however, the staff worked harmoniously throughout the entire year. The question of whether cooperation and united effort brought a worth-while book lies with you to decide. We have put our best efforts and talents into this edition, and we sincerely hope that you will appreciate them.

—Robert Turner.

Pep Club

The Pep Club was organized in the fall of 1926. It was started for the purpose of stimulating enthusiasm in the student body. This being the third year, a great deal has been done toward making the student body more interested in the athletic and scholarship teams, and lending their support to them.

There were several new members taken in this year to replace the ones who were graduated last spring. The club is limited to twenty-five members, and juniors and seniors in classification.

The club officers are: President, Marie Clark; Secretary, Dorothy Knock; Treasurer, Betty Sloan; and cheer leaders, Thelma Barani and Jeanne Seymour.

The club has put on several impromptu pep chapels just before a few of the most exciting games, to bring the students out to support the "Bulldogs". Independence has always had an enthusiastic crowd at most of the games, and the Pep Club has helped to make it so.

At the end of the football season, a banquet was given for the lettermen of the team and the coaches at the Shelter House. At the end of the basketball season, Mrs. Shulthis entertained the lettermen, the coaches, and the girls who will be graduated this spring, with a lovely dinner.

The Pep Club has Miss Zella Spradling to thank for her fine leadership in sponsoring the club. They also have Mr. Potts and Mr. Clarence Stewart to thank for their cooperation in working with the girls.

Although the club has been a good one this year, we sincerely hope that, as the years go on, it will become a stronger and better organization in every way, and the school will go out for "bigger and better pep".

National Honor Society

Independence high school first established a chapter of the Honor Society in 1924. Since then it has grown in membership year by year.

The object of the society is to promote correct standards for scholarship and leadership, to stimulate a desire to render service, and to encourage the development of character.

Students eligible to membership must be from the eleventh and twelfth grades and stand in the highest third of their classes in the scholarship. They also will have attended school here at least one year prior to their election. The election from the eleventh grade takes place during the sixth semester, and from the twelfth grade at the last of the seventh semester. The selection is made by a council which consists of the principal and four appointed teachers. The members still in the high school designate their preferences from the eligible list and the final election is made by the council. The faculty may propose to the council the names of the pupils eligible for membership in the chapter. Graduate members have no vote.

Regular meetings are held by the organization with one business and one social meeting being held each nine weeks.

Officers for the year were: President, Audrey McAnulty; Vice-President, Lola Stewart; Secretary, Gerald Speer; Treasurer, Robert Turner.

Much dignity is connected with the society, because of its being a national organization, and it is esteemed very highly by all who understand its prestige.

Board of G. A. A.

The Girls' Athletic Association was organized three years ago by Miss Spradling. This organization sponsors after school activities such as swimming, hiking, dancing and sports. Tuesday and Thursday evenings are devoted to the sports: swimming, basketball, volleyball, baseball, tumbling, tennis, bicycling, hiking, horse shoe pitching, ice-skating, and bowling.

Points are given for some activities indulged in outside of school such as; archery, skating, and bowling. Dancing classes are held on Wednesday evenings.

A point system has been worked out by which the girls may earn G. A. A. emblems and "I's". Each activity offers a certain number of points for practicing, making the teams, and leadership.

Three hundred points entitle one to a G. A. A. emblem, five hundred to the first stripe, seven hundred to the second stripe, and one thousand to an "I".

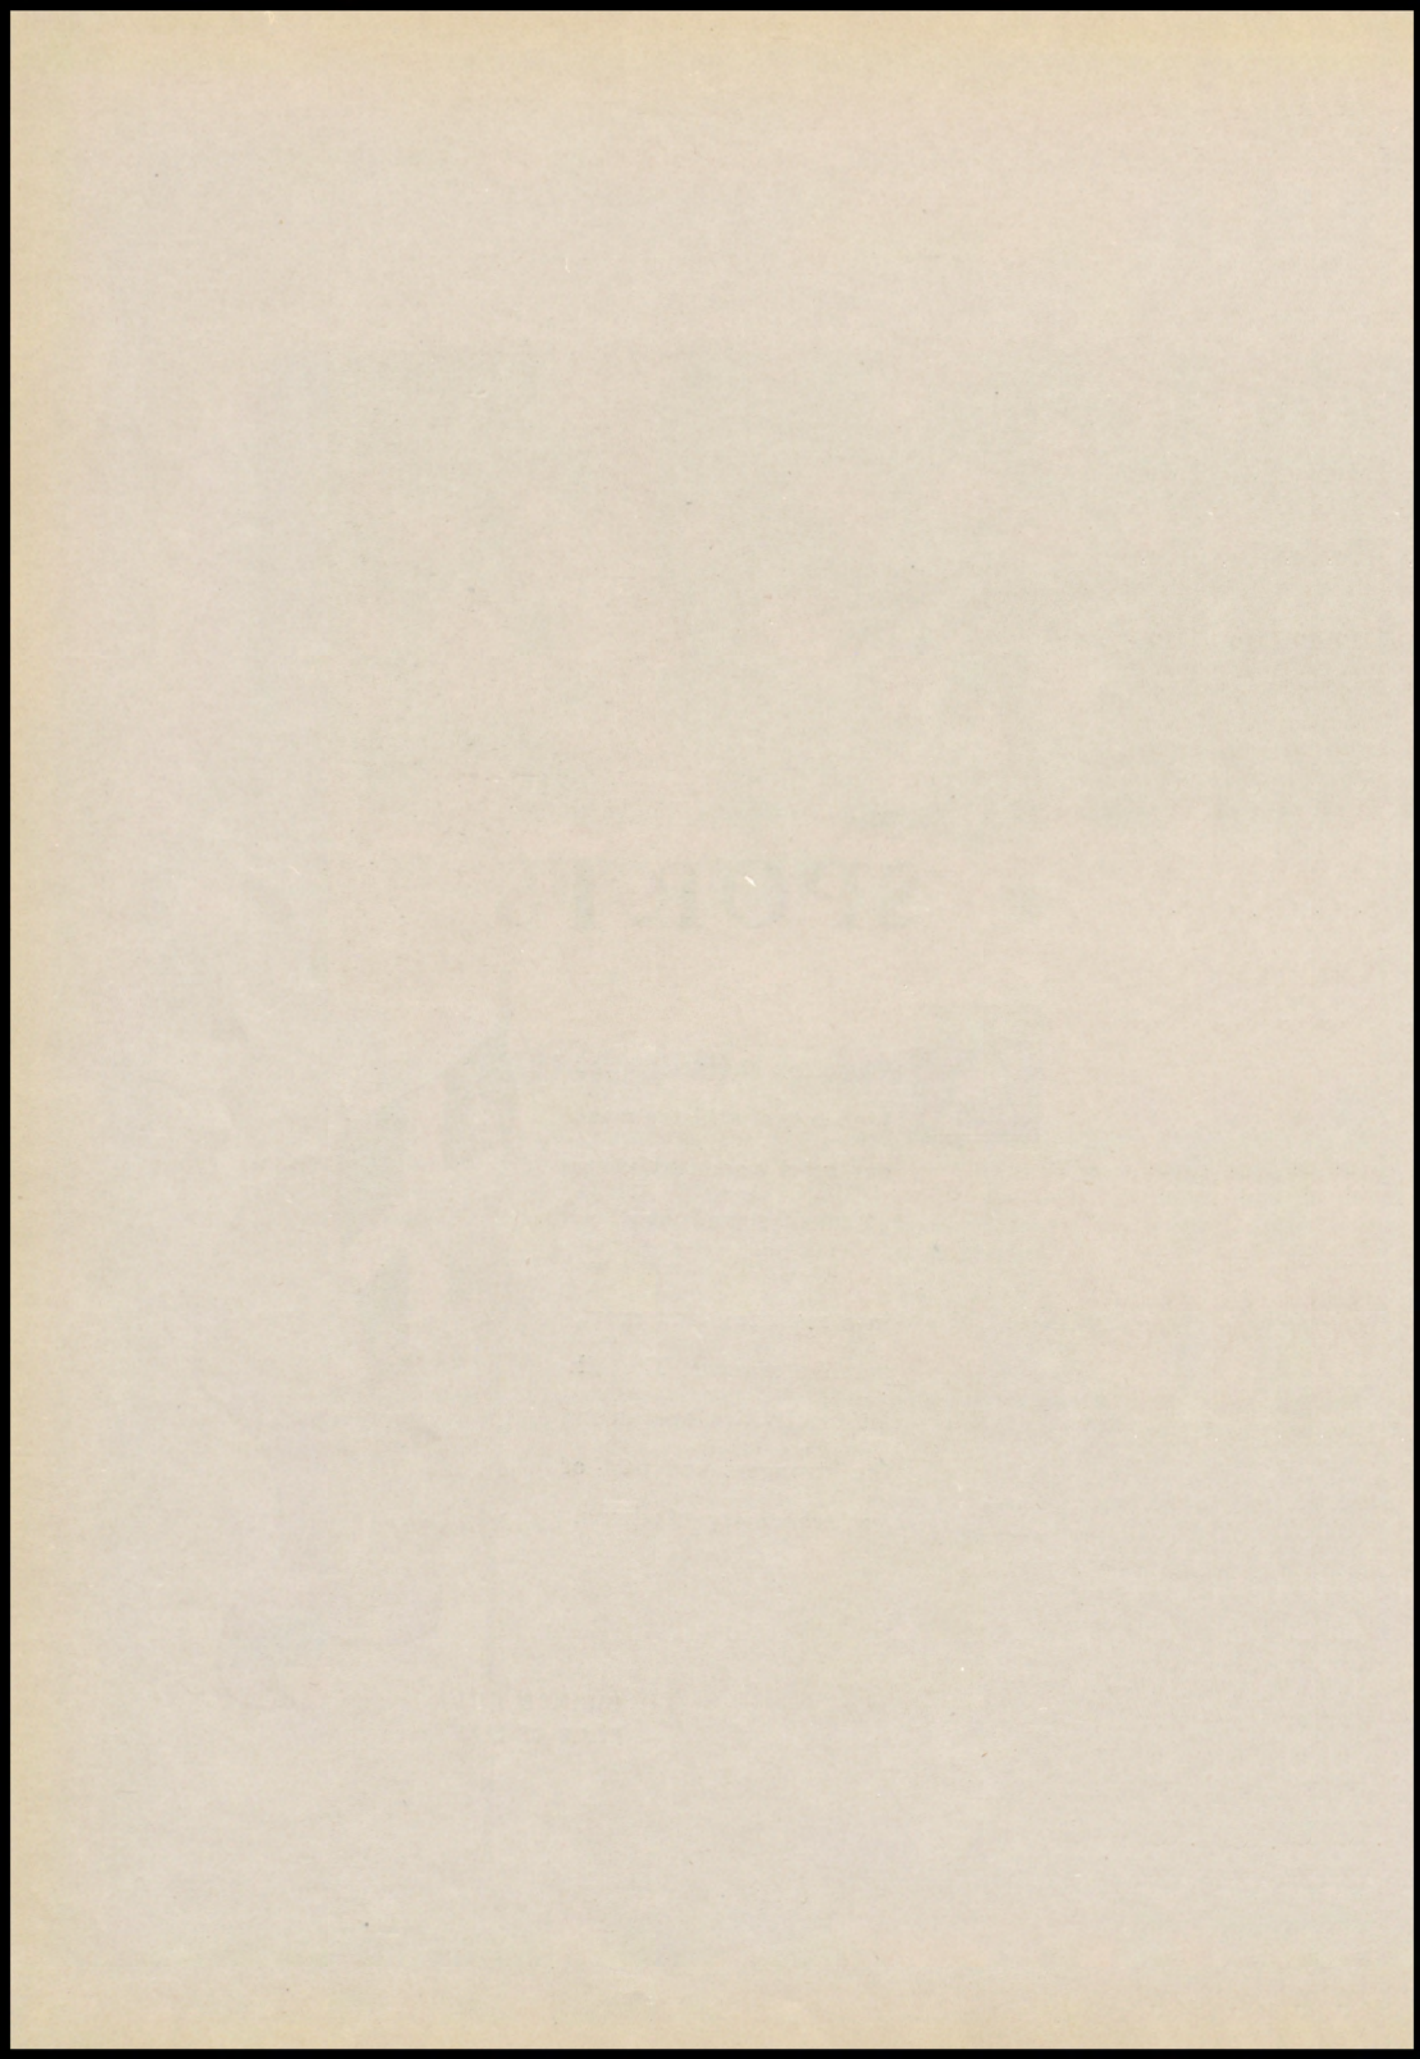

SPORTS

The clean character of our high school athletes makes our sport organizations an object of school pride. All of our victories were won in a most fair and sportsmanlike manner. The athletic activities are among the strongest and best of our school organizations.

Director of Physical Education

The city of Independence has found in Mr. Losey a very capable man, to head up the physical education program of the entire school system. His worth is recognized by the fact that he has been in constant service for sixteen years, bettering the health of Independence boys and girls.

DEANE H. SMITH

Athletic Coach

Under the able coaching of Mr. Smith, the "Bulldogs" have been increasing in strength year after year. The true sportsmanship of his teams this year have brought forth many compliments from opponents, and this team morale is only an indicator of the fine character of our coach.

Elmer Hatfield, Halfback—"Hatty" was a hard-driving back. He gained lots of ground on end runs and could also plunge the line.

Erdon Avery, Quarterback and Halfback—Avery's fast, shifty end runs thrilled our crowds and made a great impression on opponents. He was chosen All-Valley quarterback.

Alfred Simpson, Fullback, Captain-Elect—"Jelly" did hit that line! And how? Plenty hard! He played a good steady game, always exhibiting lots of fight. He will lead the Bulldogs next year.

Gerald Speer, Quarterback and Halfback—Gerald called a good heady game at quarter and was the most accurate passer we had.

Vernon Peden, Center—Peden played an excellent defensive game, and was an accurate passer from center. He was given honorable mention on the Southeast Kansas team. He is a Senior.

Jesse Dalton, Center and Guard—Jesse passes the ball back well from center, plays a good defensive game, and is a sure, hard tackler.

Otho Stonecipher, Halfback and Fullback—"Stony" was a hard hitting back, always showing plenty of fight. He was a sure tackler and delighted in dumping his opponents hard.

Edgar Bretches, Halfback—Ed was one of the fastest men in the Valley. He is a good end runner and line plunger, and is a sure tackler.

Thurman Hobson, Guard—Despite his great disadvantage of size, "Hobby" proved himself a real man. He was the smallest on the team, and it took real fight to make his letter.

Barton Blakeslee, End—Bart played his first year of football this year. He is a good pass catcher, a hard spiker, and a sure tackler,

Chester Welch, End, Captain—This was Chet's third and last year. He made the All-Valley team, and was an ideal captain, leading the Bulldogs with a characteristic I. H. S. fighting spirit.

Royce Nickey, Tackle—Nickey has played two years and has another to play. He is an excellent defensive tackle, having plenty of grit and a real fighting spirit.

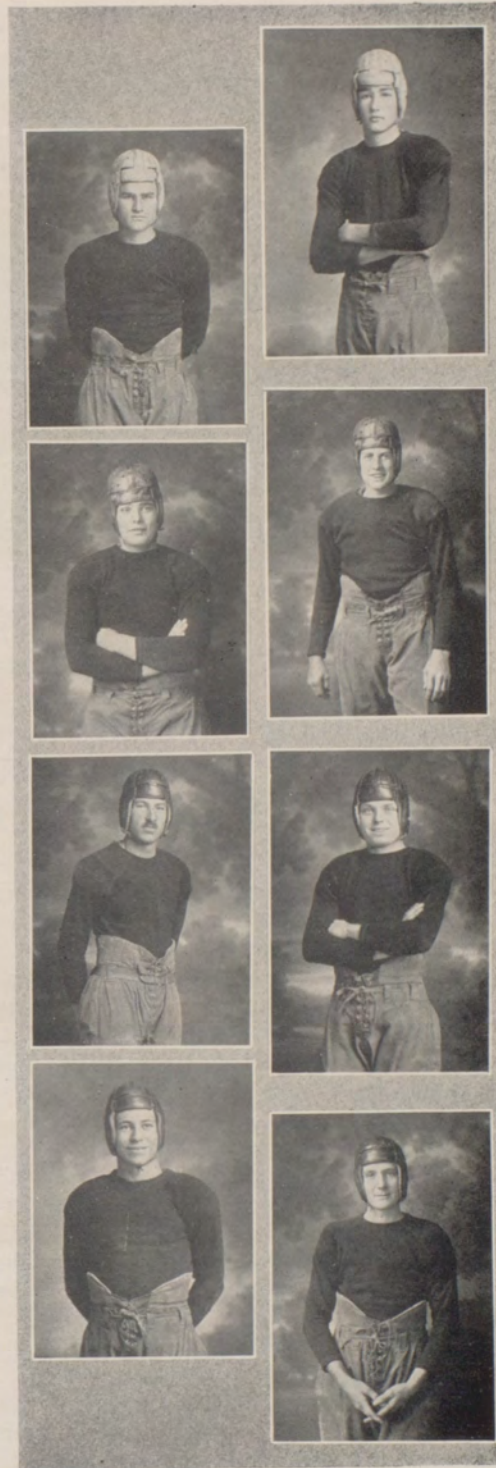

Amos Fowler, Tackle—"Mouse" played his third and last year for I. H. S. His massive bulk and powerful "push" gave opposing backs plenty to hit.

Harry Boyle, Tackle—Harry was a top-notch defensive guard. He had no best game—they were all "ace" high. He made his position on the All-Valley team.

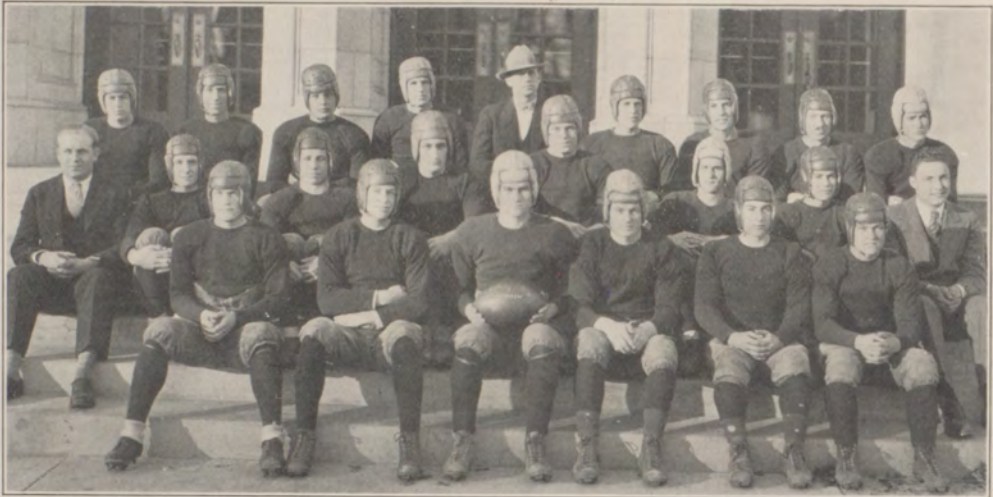

Harold Ferrell, Tackle—Ferrell played a good game of football in spite of his mustache. He played a powerful offensive game but was better on defense.

DuWayne Emery, Guard and Tackle—Emery is a fighter. He is an excellent blocker and interference man and a sure, hard tackler.

Raymond Riley, Guard—This was Ray's first year of football. He is a good tackler, blocker, and an excellent lineman.

Football Review

We regard our football season as a success, having finished second in both the Verdigris Valley and Southeast Kansas leagues, and having beaten our "Turkey Day" rival, Coffeyville.

The school, led by the pep club, gave splendid support to the team, which accounts for the fact that we lost no games on the home gridiron.

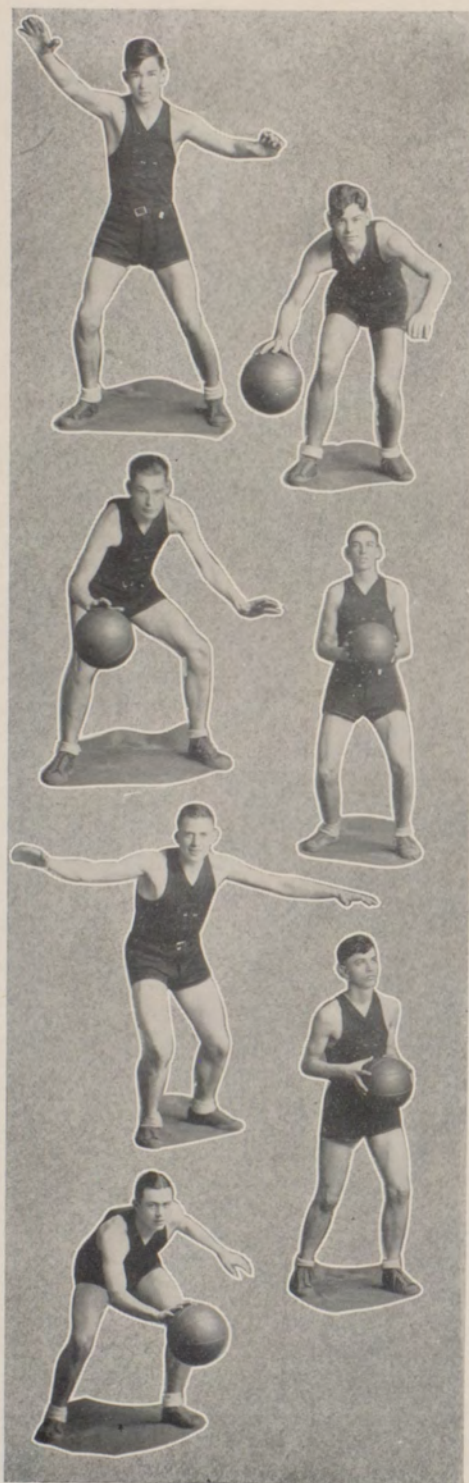

The season was opened with Sedan at home by an erratic game, which we won 12-9. The second game the Bulldogs were shut out 13-0 at Fredonia by the powerful Yellowjacket team. The next game was at home, and our boys showed their "stuff", nosing out a strong Parsons team 6-0. The next game was a forfeiture from the disqualified Caney team. A large Independence crowd went to Cherryvale to see the "Fighting Cherries" trounced 18-6. The harsh hand of fate dealt a cruel blow when a Columbus boy intercepted a pass for a touchdown, to win 7-0, after we had outplayed them the whole game. The game here with Chanute was probably the best the Bulldogs played, downing their powerful team 12-0. On a muddy field, Neodesha proceeded to reduce I. H. S. to an absurdity. The game ended 19-0 for Neodesha. To make the season a real success, we downed Coffeyville 7-6, in a hard fought game which was featured by Boyle's stellar playing.

We placed several men on both the "All-Valley" and "Southeast Kansas" teams. This season has not only left memories of a courageous team, but has developed a bunch of under-classmen who should be winners next year.

Barton Blakeslee—Guard, Captain-elect. "Bart" played his first year of basketball, showing phenomenal improvement from the first of the season. We shall have a strong leader next year.

Gerald Speer—Guard, Captain. Gerald was not only the "key-stone" of the defense but was a powerful offensive man as well. He earned his second basketball letter and made the All-Valley team.

Robert Phipps—Center. This was Bob's first year for I. H. S. He made the All-Valley team, was high scorer in the Southeast Kansas League, and he will play two more years for I. H. S.

Vernon Peden—Center, Forward. Peden played center until Phipps became eligible and then played forward. He always played a good game, and often "got hot." This was his second basketball letter.

Royce Nickey—Guard. Nickey played his second year for I. H. S., and was a power on defense. He made the second All-Valley team and has another year to play.

Richard Salathiel—F o r w a r d. "Slats" was a good dependable forward in the Bulldog machine. He was a rustler and aided materially in getting the ball into scoring position. This was the second letter for "Slats". His shoes will be hard to fill next season.

Erdon Avery—Forward. Erdon earned his second basketball letter this year. He always played hard, having plenty of fight and drive. He will be back next year and should come through in fine style.

Basketball Review

Our 1929 basketball season, although not all-victorious, was unusual in several respects. A nineteen game card made up the biggest schedule any I. H. S. basketball team has ever played. Another unusual point was the three game Christmas trip, the Bulldogs playing Olathe, Leavenworth, and Topeka. Such a trip had been the dream of Coach Smith for several years, and after a financially successful football season, the dream came true. Still another item of interest was the unusual enthusiasm over this indoor sport. At the first call for practise over fifty aspirants turned out, but because of the limited space this number had to be cut to a squad of twenty. The school, following the lead of the Pep Club, gave its whole-hearted support, and as the excitement ran high in several games, the gym was literally as vibrant with cheers as it was packed with rooters.

All the games before the Christmas trip were canceled, because of the "Flu" epidemic, so the Olathe game was the first of the season. This game was a hard fought one, the Bulldogs finally edging out with a 20-18 victory, after being led 8-13 at the end of the first half. The next victim was Leavenworth, a fast although poor goal shooting team. They fell before I. H. S. to the tune of 23-16. After the worst of traveling experiences in a blizzard, the Bulldogs were administered their first defeat of the season by the strong Topeka quintet. The score was 23-17.

The next game was the annual tilt with Altoona. The Bulldogs growled and walked away with an easy victory, 42-12.

Basketball Review Continued

For the first time in years, the high school team downed the faculty basketballers. The boys took an early lead and held it to win 26-18.

The first Valley game was with Caney at Caney. We started strong, and the half ended with Independence leading 11-2, but the team went to pieces and it was by luck that we won that game 14-13.

The next game was against Neodesha on our home court. It was a fast and rough game, with Independence leading throughout the contest. The final score was 19-15.

The first S. E. K. League tilt was against the sturdy Parsons team here. The Parsons five led the whole game until the last three minutes, when a series of three long shots turned the tables and won the game for us, 19-16.

In the game against Cherryvale, forty personal fouls were called, more than in any other game in our basketball history. We won the game, 36-24.

The Bulldogs got lost on the Chanute court and went down to an unexpected defeat in the S. E. K. League by a score of 27-20.

When we met our ancient and proverbial enemy, Coffeyville, a packed house witnessed Independence reap vengeance for by-gone years, by winning 21-13.

Our first Valley defeat came when we played Fredonia in their midget gym. The Yellowjacket quintet took an early lead, but were threatened in the fourth quarter. The score was 32-27 in favor of the Yellowjackets.

The next game was against Altamont. The Bulldogs romped over them to an easy victory, 44-17.

The second game with Cherryvale was on the Independence court. The "Fighting Cherries" lived up to their name by playing a hard, rough game, but were vanquished by the superior Bulldog five, 19-13.

Fredonia again bested the Bulldogs in a hard game at Independence. The score was 22-19. This was our second and last Valley defeat.

We again trimmed Neodesha, this time, 24-20. This game, on their court, was rough and close most of the time.

More vengeance was not denied the Independence supporters, for the Bulldogs again trounced Coffeyville on their floor. The score was 43-23.

The Bulldogs felt defeat in the S. E. K. League, and in their last scheduled game, a sharp-shooting Iola team exerted itself to win by the score of 30-25.

Independence drew Iola for the second round game in the District Tournament, at Neodesha. This game was the most exciting one we ever played. Iola led by twelve points at the half, but we came back with lots of drive to tie the game. It was only in the third play off that we were defeated, 39-38.

We finished in second place in the Valley League, and well in the upper bracket in the Southeast Kansas League. We scored 529 points against our opponents' 410. In the light of these facts, we must regard our 1929 basketball season as a success.

—Richard Salathiel.

Top Notch Track Hopes

Because the "Orange and Black" must be printed before the track schedule has been fairly started, we can't give the results but must act the prophet; and after walking over Neodesha and Fredonia in a season opening triangular meet, we are more than "just hopeful" as to the outcome of the rest of the meets this season.

About fifty fellows turned out for track as soon as basketball was over, but that number soon dwindled down to a group of about thirty-five.

April 5, the Seniors as usual, vanquished the under-classmen in the annual inter-class meet. The points were: Seniors 59, Sophomores 34, Juniors 29. This meet showed some likely point winners in the persons of Bob Phipps, Captain Richard Salathiel, Amos "Mouse" Fowler, Alfred "Jelly" Simpson, Neil Nuckolls, Gerald Speer, Russell Brooks, "Bart" Blakeslee, and others.

April 12 the Bulldog Tracksters were victorious over the Neodesha and Fredonia teams in a meet at Neodesha.

The points stood: I. H. S. 77½, F. H. S. 49½, and N. H. S. 26.

Coach Smith arranged an excellent schedule, the remainder of which is as follows: April 17, Dual Meet at Neodesha; April 19, K. U. Relay; April 26, Coffeyville at Independence; April 29, Southeast Kansas Meet at Parsons; May 1, Chanute here; May 3, V. V. League Meet at Coffeyville; May 11, State Elimination Meet at Pittsburg; May 17, State Meet at Emporia.

With a fairly good team, strong in most of the field events and not weak on the track, we look forward to a successful season on the turf.

"I" Club

The "I" Club was organized in Independence high school in 1924 by Coach Smith, and has been in constant operation since that time.

Membership in the club is open only to those who have won letters in the five major sports—football, basketball, track, tennis, and golf. Membership at this time is twenty.

The aim of the organization is to promote a feeling of fraternity among those whose interests are in different sports, and to further the interest of athletics among the boys of the school in general.

Meetings are held twice a month during activity period, at which time different problems are discussed. At numerous times a program committee is appointed, and they prepare a varied program for the coming meeting. These programs usually consist of speakers, readers, and musicians.

Duties of club members are to assist new boys to get acquainted, sell tickets for athletic contests, and in many ways help at games and track meets.

Officers of the club are as follows: President, Amos Fowler; Vice-President, Alfred Simpson; Secretary, Barton Blakeslee; Treasurer, Richard Salathiel.

Golf

Golf was added to the list of spring sports in I. H. S. in 1928. The need for a sport in which a boy might engage after his high school days were over was seen, and for this reason golf has been very popular for the past two seasons.

In 1928, meets were held with a number of S. E. K. and Valley schools, and this team did very well, considering the amount of experience they had. The other meets in which the team participated were the Valley meet at Coffeyville and the S. E. K. meet at Parsons.

The outlook for this seasons team is very promising, since all the members of last year's team are in school. Blakeslee is captain of the team and, since equaling the course second at the Country Club recently, great things are expected from him.

Tennis

Tennis has been sponsored in I. H. S. for a number of years, but not until last year was it included in the list of Valley and S. E. K. sports.

Since we are very fortunate in having twelve of the finest courts in the state, our boys are very much interested in tennis.

Dual meets were held with a number of neighboring schools, and I. H. S. was victorious in each. In the Valley meet and S. E. K. meet I. H. S. won both single and double matches and repeated this performance in the State Elimination Meet at Fredonia.

As a fitting climax to such a season Jesse Dalton was sent to the State Meet at Emporia and won the State Championship in the singles.

Last years' team was composed of Jesse Dalton, Douglas Scott, and Gerald Speer. This year's team is composed of Jesse Dalton, Robert Allred, Le Roy Butler, and Vernon McKay. These boys are looking good, having already a clean sweep to their credit over Columbus, and give promise of at least as good a year as last.

Volley Ball

Gertrude Scott was elected to handle the business end of the volley ball tournament in cooperation with the sponsor, Miss Spradling. Volley ball is very popular, and it was not extremely difficult to create interest in it. It has been a favored game from the grades on through high school. However, Gertrude found it plenty of work, and the results of her efforts were creditable.

Basketball

Pauline Russell heads this division. Basketball has almost always promoted itself, but all the details connected with it kept the head of it running hither and thither as if she were trying to find herself. Pauline did a very creditable job of running the practices, and the tournament went off smoothly.

Volley Ball Champions

The freshman class sailed through the tournament undefeated. This is quite a feat, as they played every class team twice. The personnel is as follows: Standing—Vera Cale, Ruth Wycoff, Lorraine Rockwell, Vida Tomlinson, Louise Schaub, Ada Troutman, Fern Pinnell, Grace Benjamin; Sitting—Jamesina Hunter, Dorothy Fennimore, Treva Clifford (captain), Orlena Thompson, Thelma Jones. Not only did they survive undefeated, but they have set a record that no other team has broken. Since entering high school their team has not been defeated a single time. Their record has stood for three years, and they have three years to uphold it to make a record that could never be bettered.

Basketball Champions

The seniors were unable to keep their record clear of defeat, as did the freshman volley ball team, but sustained one defeat administered by the sophomores. The personnel is as follows: Marie Rolland (captain), jumping center; Pauline Baker, guard; Marie Clark, running center; Sally Salathiel, guard; Ruth Titsworth, forward; Pauline Russell, forward. It must be said that the seniors were undefeated in the tournament, but met their only defeat in an official game several weeks later.

Tennis

Elizabeth Shultz heads the new tennis department. Tennis has not been stressed for the last two or three years, but it came forth with a "boom" this year. A fall tournament was held, thirty-three girls entering. Sara Lou Bryant and Isabell McColl played the finals, and Sara won, 6-1. 6-0. A felt emblem in the form of a tennis racquet was awarded. There was another tournament in progress as the "Orange and Black" went to press. The winner of this tourney will receive the same award as the winner of the boys' tournament. This award is a small silver tennis ball.

Beginning April 17, Mr. Shive held a tennis instruction class for girls. These classes were held weekly and proved a great help. Although this division is new, it is well organized and very popular.

Swimming

Helen Knothe has done much in promoting interest in swimming among G. A. A. members. Chosen for the task because of her ability to swim, as well as to manage, she has created an interest in swimming outside of class hours.

Dancing

Jeanne Seymour, caught unexpectedly, as you can imagine, in this fairy-like pose, is not hard to imagine as the leader of the dancing class. Jeanne conducted the bar work while Miss Spradling worked with the dances for the Spring Show. Jeanne worked very enthusiastically to encourage this particular kind of sport among the girls.

Hiking

Maurine Kelly heads the oldest division of sports in the G. A. A. It is the main and largest department. Hikes are planned of three or four miles distance, and gradually increased during the year.

Maurine plans these and generally sees that the intermission between going and returning is happily supplied with refreshments. Hiking is one sport that requires no particular talent; hence its large following.

Armory Ball

Nadine Wade had a man-sized job on her hands when she undertook to interest girls in armory ball. It is a new division in girls' sports sponsored by the G. A. A. However, it proved highly successful considering the difficulty in arousing enthusiasm in a game that has not been played since the tom-boy stage in girls' lives.

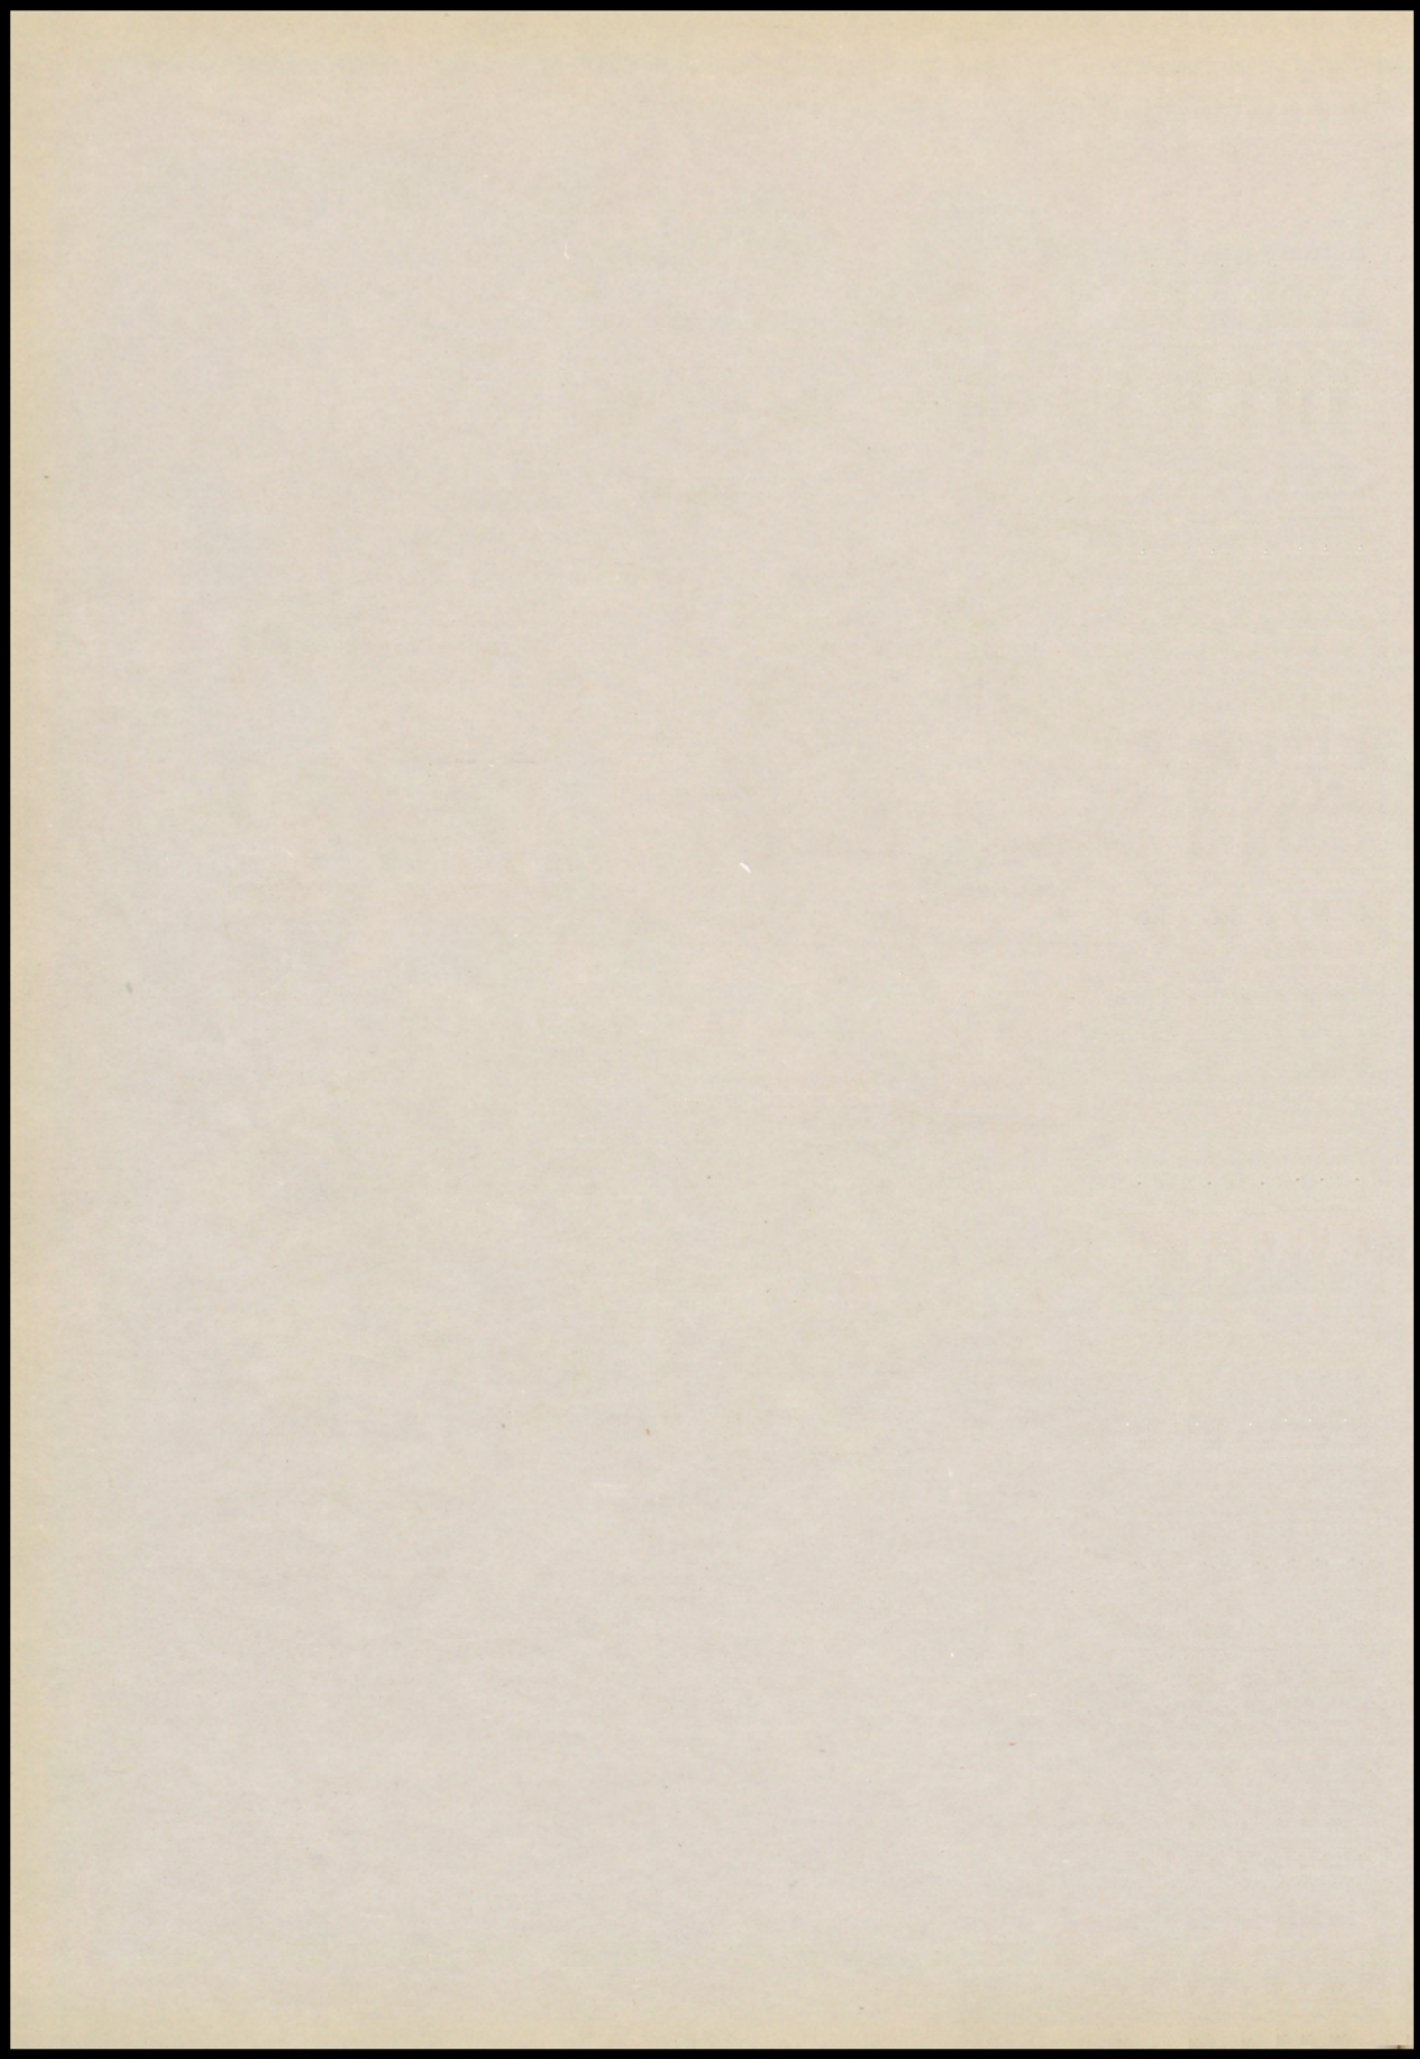

MISCELLANEOUS

In the following pages lie the treasures of this volume—the calendar, jokes, kodaks, autographs of my friends, and the advertisements. Search diligently through these pages. Here are the loyal boosters of this year book (the advertisers). See who they are and in turn boost them.

THE FLAG OF
THE UNITED STATES
1818

The Calendar

Sept. 10—Playtime is over and school has started off with a boom! Our enrollment, including all grades, is 3,112.

Sept. 11—Mr. Clement and his twin brother visited school today, and everyone thought he was seeing double. Wish I had a twin.

Sept. 12—The first number of the "Student" was issued, with Pauline Russell as editor. This number was to urge us to buy a year's subscription. We nominated class officers but won't get to elect them until September 28.

Sept. 26—In G. A. A. meeting today we elected officers for this year.

Sept. 28—Well, I guess the "Bulldogs" are pretty good this year. We beat Sedan today, and the score was 12-9. "Hatty" scored first.

Oct. 3—Neewollah will soon be here, and as usual there will be several booster trips. The girls' glee club and the band are preparing their numbers for the program now.

Oct. 11—A free matinee was given by the "Student" for all fifth hour classes subscribing for the paper, if their subscription list was 100 per cent.

Oct. 12—We sure ate dust on the booster trip today. Everything was dry and hot, but we had a fine time. Hope the next one is good.

"Success" was given by the Dee Dee club in senior assembly while we were on the booster trip. It must have been good, the way people are talking.

Oct. 17—Four new views were taken of the high school and one of Nees Hall. I guess these are to be used in the "Orange and Black."

Oct. 19—Pauline Russell and Robert Turner will represent I. H. S. at the tenth annual journalism conference at K. U. today and tomorrow. They left this morning at 2:00 o'clock.

Oct. 30—We are bowing to her majesty Queen Neelah—otherwise known as Miss Austin, a junior college instructor.

Oct. 31—NEEWOLLAH! Rain! But the spirits of Hallowe'en were not dampened.

Nov. 27—"The Three Graces" was the first play of the season and brought out the good points of the Dee Dee club this year.

Nov. 29—We hooked it over Coffeyville with a score of 7-6, breaking the jinx of five years' standing. Alfred Simpson was elected the captain for the "Bulldogs" next year.

Dec. 5—We enrolled for the second semester. (That is, the ones who are not flunking out enrolled. The others will have their fate determined more or less by Mr. Stevens.)

Jan. 11—A debate tournament was held at Lawrence, and we won the loving cup for our victory.

Jan. 14—In defeating Caney tonight, we won our first league basketball game. It looks as if the "Bulldogs" are going to prove as successful in basketball as they did in football. We have due cause to be proud of them.

Jan. 16—The senior class elected their annual staff, with Robert Turner as editor-in-chief, and Melvin Doop as business manager. The invitations were selected at the same meeting.

Jan. 18—Mr. Daggett and five boys attended the Hi-Y conference at Iola. While they were enjoying a cold trip we elected twelve new members into the Honor Society.

Jan. 21—Our debate teams are "doing us proud". They defeated Iola here and Pittsburg there.

Faye Stone moved to Kansas City, and Dorothy Knock was elected secretary of the Pep Club, to fill her place.

Jan. 23—Sixteen typing awards were given out: gold, silver, bronze, and some certificates. Hazel Hoover received the highest award, a gold pin.

Jan. 25—The Rotary Club has offered state scholarships again.

Jan. 26—A G. R. conference at Pittsburg took nine girls and their sponsor from school today.

Jan. 30—"Graustark" is to be the second Dee Dee play of the year.

Jan. 31—Campus Queens and Kings are to be a feature of the year book of '29, and ten boys and ten girls were chosen today.

Feb. 5—The I. H. S. Sea Scouts received a silver loving cup.

Feb. 6—Senior rings and pins came today, and the dignified graduates are more than satisfied with their choice.

Feb. 7—Posters made by Miss Martin's art students have been mailed and will be entered in the state contest.

Feb. 8—Suppose Miss Scott's camera is broken? The glee clubs had their pictures taken today.

Feb. 11—Oswego won the district debate. Independence tied for third.

Feb. 18—A girl from India spoke at the Mother and Daughter banquet. She was a good speaker, and the banquet was a huge success.

Feb. 20—At last the Pep Club has framed a constitution, and it is one they can be proud of, too.

March 8—"Graustark," the second Dee Dee play, went over even bigger than the first play. Arlene Anderson makes a lovely princess.

March 10—The boys' quartet was the "hit of the day" at the concert this afternoon. The music department was honored by a large crowd in starting off the educational week.

March 13—We have Queen Elizabeth in our midst. Betty Sloan was chosen to be the May Queen in the Spring Festival, which will be given May 10.

March 22—Independence placed second in the Verdigris Valley Music Contest. Of course we deserved first, but we're proud of our second, and know that the best music groups won.

March 23—Mrs. Shulthis gave a dinner for the senior pep club girls and seven letter men.

April 12—The Junior Follies were snappy and clever. Jack Raglin's play was a scream, and the comedians were so good they were almost funny. (That's saying a lot for a comedian.)

April 24—Several members of the mixed chorus, girls' glee and boys' glee clubs left for Pittsburg today. The music contest will be held Friday.

May 2—The Emporia State Scholarship contest was divided into sections, one section was held at Independence today.

May 10—The annual Spring Festival was given at the Memorial Hall tonight. The manager and sponsors are well pleased with the outcome.

May 17—The juniors gave their annual banquet for the seniors. We certainly appreciate the work of the juniors who put on this feast.

May 21—The senior class play, "The Whole Town's Talking" was given tonight.

May 22—The seniors had their picnic, and a better time was never had.

May 23—Class day and commencement exercises are over, and I guess we're loafers again.

The HIGHER VALUES of BANKING

Banking has ever served as chart and compass in the discovery of sound economic principles and the evolution of modern business practices.

Throughout the wonderful story of American progress and development, the constructive influence of banking is inseparably interwoven with all that is good in life--the development of resources, the encouragement of thrift, the accumulation of a competence, the protection of the family and the realization of aims and ideals. These are the transcendent values of banking.

Each year, banking becomes more of a science and attains higher professional standing. This is well, for in civic and financial affairs, the banker's responsibility is boundless. On the integrity of his character, the soundness of his judgment, the clearness of his vision and the helpfulness of his spirit, rest in a large measure the story of what tomorrow will bring in personal happiness, community safety and national greatness.

The banker has every reason to take pride in his profession, to find joy in his work, and to labor incessantly for the attainment of higher professional ideals through common counsel and mutual efforts.

Some Little Time

When your fathers and mothers were attending The Independence High School, I. G. Fowler's Drug Store was represented in its every activity, as it has been ever since and hopes to be for many years to come.
